WARRANT
TO PURCHASE COMMON STOCK
OF
MICROVISION, INC.

Issue Date: August 9, 2005

Warrant No. 1

THIS CERTIFIES that SATELLITE STRATEGIC FINANCE ASSOCIATES, LLC or any subsequent holder hereof (the "Holder"), has the right to purchase from MICROVISION, INC., a Delaware corporation (the "Company"), upon the terms and subject to the limitations on exercise and conditions hereinafter set forth, up to 74,439 fully paid and nonassessable shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), subject to adjustment as provided herein, at a price per share equal to the Exercise Price (as defined below), at any time and from time to time beginning on the date on which this Warrant is originally issued (the "Issue Date") and ending at 6:00 p.m., eastern time, on the date that is the fifth (5th) anniversary of the Issue Date (or, if such date is not a Business Day, on the Business Day immediately following such date) (the "Expiration Date"). This Warrant is issued pursuant to a Securities Purchase Agreement, dated as of August 8, 2005 (the "Securities Purchase Agreement"). Capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in the Securities Purchase Agreement.

1. Exercise.

(a) Right to Exercise; Exercise Price. The Holder shall have the right to exercise this Warrant at any time and from time to time during the period beginning on the Issue Date and ending on the Expiration Date as to all or any part of the shares of Common Stock covered hereby (the "Warrant Shares"). The "Exercise Price" for each Warrant Share purchased by the Holder upon the exercise of this Warrant shall be equal to \$6.50, subject to adjustment for the events specified in Section 6 below.

(b) Exercise Notice. In order to exercise this Warrant, the Holder shall send to the Company by facsimile transmission, at any time prior to 6:00 p.m., eastern time, on the Business Day on which the Holder wishes to effect such exercise (the "Exercise Date"), (i) a notice of exercise in substantially the form attached hereto as Exhibit A (the "Exercise Notice"), and (ii) a copy of the original Warrant, and, in the case of a Cash Exercise (as defined below), the Holder shall pay the Exercise Price to the Company by wire transfer. The Exercise Notice shall state the name or names in which the shares of Common Stock that are issuable on such exercise shall be issued. In the case of a dispute between the Company and the Holder as to the calculation of the Exercise Price or the number of Warrant Shares issuable hereunder (including, without limitation, the calculation of any adjustment pursuant to Section 6 below), the Company shall issue to the Holder the number of Warrant Shares that are not disputed within the time periods specified in Section 2 below and shall submit the disputed calculations to a certified public accounting firm of national recognition (other than the Company's regularly retained accountants) within three (3) Business Days following the Company's receipt of the Holder's Exercise Notice. The Company shall cause such accountant to calculate the Exercise Price and/or the number of Warrant Shares issuable hereunder and to notify the Company and the Holder of the results in writing no later than three (3) Business Days following the day on which such accountant received the disputed calculations (the "Dispute Procedure"). Such accountant's calculation shall be deemed conclusive absent manifest error. The fees of any such accountant shall be borne by the party whose calculations were most at variance with those of such accountant.

(c) Holder of Record. The Holder shall, for all purposes, be deemed to have become the holder of record of the Warrant Shares specified in an Exercise Notice on the Exercise Date specified therein, irrespective of the date of delivery of such Warrant Shares. Except as specifically provided herein, nothing in this Warrant shall be construed as conferring upon the Holder hereof any rights as a stockholder of the Company prior to the Exercise Date.

(d) Cancellation of Warrant. This Warrant shall be canceled upon its exercise in full and, if this Warrant is exercised in part, the Company shall, at the time that it delivers Warrant Shares to the Holder pursuant to such exercise as provided herein, issue a new warrant, and deliver to the Holder a certificate representing such new warrant, with terms identical in all respects to this Warrant (except that such new warrant shall be exercisable into the number of shares of Common Stock with respect to which this Warrant shall remain unexercised); *provided, however*, that the Holder shall be entitled to exercise all or any portion of such new warrant at any time following the time at which this Warrant is exercised, regardless of whether the Company has actually issued such new warrant or delivered to the Holder a certificate therefor.

2. Delivery of Warrant Shares Upon Exercise. Upon receipt of an Exercise Notice pursuant to Section 1 above, the Company shall, (A) in the case of a Cash Exercise, no later than the close of business on the later to occur of (i) the third (3rd) Business Day following the Exercise Date set forth in such Exercise Notice and (ii) such later date on which the Company shall have received payment of the Exercise Price, (B) in the case of a Cashless Exercise (as defined below), no later than the close of business on the third (3rd) Business Day following the Exercise Date set forth in such Exercise Notice, and (C) with respect to Warrant Shares that are the subject of a Dispute Procedure, the close of business on the third (3rd) Business Day following the determination made pursuant to Section 1(b) (each of the dates specified in (A), (B) or (C) being referred to as a "Delivery Date"), issue and deliver or caused to be delivered to the Holder the number of Warrant Shares as shall be determined as provided herein. As long as the Company's transfer agent ("Transfer Agent") participates in the Depository Trust Company ("DTC") Fast Automated Securities Transfer program ("FAST"), and except as otherwise provided in the next following sentence of this Section 2, the Company shall effect delivery of Warrant Shares to the Holder by crediting the account of the Holder or its nominee at DTC (as specified in the applicable Exercise Notice) with the number of Warrant Shares required to be delivered, no later than the close of business on such Delivery Date. In the event that the Transfer Agent is not a participant in FAST, or if the Warrant Shares are not otherwise eligible for delivery through FAST, or if the Holder so specifies in an Exercise Notice or otherwise in writing on or before the Exercise Date, the Company shall effect delivery of Warrant Shares by delivering to the Holder or its nominee physical certificates representing such Warrant Shares, no later than the close of business on such Delivery Date. Warrant Shares delivered to the Holder shall not contain any restrictive legend as long as the resale of such Warrant Shares (x) has been or will be made (as certified in writing by the Holder to the Company) pursuant to an effective Registration Statement (as defined in the Registration Rights Agreement), (y) has been made pursuant to Rule 144, or (z) may be made pursuant to Rule 144(k) or any successor rule or provision.

3. Failure to Deliver Warrant Shares.

(a) In the event that the Company fails for any reason to deliver to the Holder the number of Warrant Shares specified in the applicable Exercise Notice on or before the Delivery Date therefor (an "Exercise Default"), the Company shall pay to the Holder payments ("Exercise Default Payments") in the amount of (i) $(N/365)$ multiplied by (ii) the aggregate Exercise Price of the Warrant Shares which are the subject of such Exercise Default multiplied by (iii) the lower of twelve percent (12%) per annum and the maximum rate permitted by applicable law (the "Default Interest Rate"), where "N" equals the number of days elapsed between the original Delivery Date of such Warrant Shares and the date on which all of such Warrant Shares are issued and delivered to the Holder. Cash amounts payable hereunder shall be paid on or before the fifth (5th) Business Day of each calendar month following the calendar month in which such amount has accrued.

(b) In the event of an Exercise Default, the Holder may, upon written notice to the Company, regain on the date of such notice the rights of the Holder under the exercised portion of this Warrant that is the subject of such Exercise Default. In such event, the Holder shall retain all of the Holder's rights and remedies with respect to the Company's failure to deliver such Warrant Shares (including without limitation the right to receive the cash payments specified in

Section 3(a) above); provided, however, that such cash payments shall cease to accrue effective as of the date of such notice.

(c) The Holder's rights and remedies hereunder are cumulative, and no right or remedy is exclusive of any other. In addition to the amounts specified herein, the Holder shall have the right to pursue all other remedies available to it at law or in equity (including, without limitation, a decree of specific performance and/or injunctive relief). Nothing herein shall limit the Holder's right to pursue actual damages for the Company's failure to issue and deliver Warrant Shares on the applicable Delivery Date (including, without limitation, damages relating to any purchase of Common Stock by the Holder to make delivery on a sale effected in anticipation of receiving Warrant Shares upon exercise, such damages to be in an amount equal to (A) the aggregate amount paid by the Holder for the Common Stock so purchased minus (B) the aggregate amount of net proceeds, if any, received by the Holder from the sale of the Warrant Shares issued by the Company pursuant to such exercise).

4. Exercise Limitations. In no event shall a Holder be permitted to exercise this Warrant, or part hereof, if, upon such exercise, the number of shares of Common Stock beneficially owned by the Holder (other than shares which would otherwise be deemed beneficially owned except for being subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 4(a)), would exceed 4.99% of the number of shares of Common Stock then issued and outstanding. As used herein, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder. To the extent that the limitation contained in this Section 4(a) applies, the submission of an Exercise Notice by the Holder shall be deemed to be the Holder's representation that this Warrant is exercisable pursuant to the terms hereof and the Company shall be entitled to rely on such representation without making any further inquiry as to whether this Section 4(a) applies. Nothing contained herein shall be deemed to restrict the right of a Holder to exercise this Warrant, or part thereof, at such time as such exercise will not violate the provisions of this Section 4(a). This Section 4(a) may not be amended unless such amendment is approved by the holders of a majority of the Common Stock then outstanding; *provided, however*, that the limitations contained in this Section 4(a) shall cease to apply (x) upon sixty (60) days' prior written notice from the Holder to the Company, or (y) immediately upon written notice from the Holder to the Company at any time after the public announcement or other disclosure of a Major Transaction (as defined below) or a Change of Control.

5. Payment of the Exercise Price; Cashless Exercise. The Holder may pay the Exercise Price in either of the following forms or, at the election of Holder, a combination thereof:

(a) through a cash exercise (a "Cash Exercise") by delivering immediately available funds, or

(b) if an effective Registration Statement is not available for the resale of all of the Warrant Shares issuable hereunder at the time an Exercise Notice is delivered to the Company, through a cashless exercise (a "Cashless Exercise"), as hereinafter provided. The Holder may effect a Cashless Exercise by surrendering this Warrant to the Company and noting on the

Exercise Notice that the Holder wishes to effect a Cashless Exercise, upon which the Company shall issue to the Holder the number of Warrant Shares determined as follows:

$$X = Y \times (A-B)/A$$

where:

X = the number of Warrant Shares to be issued to the Holder;

Y = the number of Warrant Shares with respect to which this Warrant is being exercised;

A = the Market Price as of the Exercise Date; and

B = the Exercise Price.

For purposes of Rule 144, it is intended and acknowledged that the Warrant Shares issued in a Cashless Exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares required by Rule 144 shall be deemed to have been commenced, on the Issue Date.

6. Anti-Dilution Adjustments; Distributions; Other Events The Exercise Price and the number of Warrant Shares issuable hereunder shall be subject to adjustment from time to time as provided in this Section 6. In the event that any adjustment of the Exercise Price or the number of Warrant Shares as required herein results in a fraction of a cent or fraction of a share, as applicable, such Exercise Price or number of Warrant Shares shall be rounded up or down to the nearest cent or share, as applicable.

(a) Subdivision or Combination of Common Stock. If the Company, at any time after the Execution Date, subdivides (by any stock split, stock dividend, recapitalization, reorganization, reclassification or otherwise) the outstanding shares of Common Stock into a greater number of shares, then effective upon the close of business on the record date for effecting such subdivision, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company, at any time after the Issue Date, combines (by reverse stock split, recapitalization, reorganization, reclassification or otherwise) the outstanding shares of Common Stock into a smaller number of shares, then, effective upon the close of business on the record date for effecting such combination, the Exercise Price in effect immediately prior to such combination will be proportionally increased.

(b) Distributions. If the Company shall declare or make any distribution of cash or any other assets (or rights to acquire such assets) to holders of Common Stock, as a partial liquidating dividend or otherwise, including without limitation any dividend or distribution to the Company's stockholders in shares (or rights to acquire shares) of capital stock of a subsidiary (a "Distribution"), the Company shall deliver written notice of such Distribution (a "Distribution Notice") to the Holder at least thirty (30) days prior to the earlier to occur of (i) the record date for determining stockholders entitled to such Distribution (the "Record Date") and (ii) the date on which such Distribution is made (the "Distribution Date"). In the Distribution Notice to a Holder, the Company must indicate whether the Company has elected (A) to deliver to such Holder the same amount and type of assets being distributed in such Distribution as though the

Holder were a holder on the Determination Date thereof of a number of shares of Common Stock into which the this Warrant is exercisable as of such Determination Date (such number of shares to be determined at the Exercise Price then in effect and without giving effect to any limitations on such exercise) or (B) to reduce the Exercise Price as of the Determination Date thereof by an amount equal to the fair market value of the assets to be distributed divided by the number of shares of Common Stock as to which such Distribution is to be made, such fair market value to be reasonably determined in good faith by the independent members of the Company's Board of Directors. If the Company does not notify the Holders of its election pursuant to the preceding sentence within two (2) Business Days following the date on which the Company publicly announces a Distribution, the Company shall be deemed to have elected clause (A) of the preceding sentence.

(c) Dilutive Issuances.

(i) Adjustment Upon Dilutive Issuance. If, at any time after the Issue Date, the Company issues or sells, or in accordance with subparagraph (iii) of this paragraph (c), is deemed to have issued or sold, any shares of Common Stock for no consideration or for a consideration per share less than the Exercise Price on the date of such issuance or sale (or deemed issuance or sale) (a "Dilutive Issuance"), then the Exercise Price shall be adjusted as follows:

(A) If such Dilutive Issuance occurs prior to the Effective Date (as defined in the Registration Rights Agreement), then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal the consideration received or receivable by the Company (on a per share basis) for the additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below). Notwithstanding the foregoing, prior to the Effective Date, the Company shall not engage in any transaction that would result in the issuance or deemed issuance of shares of Common Stock (other than Excluded Securities (as defined below)) for no consideration.

(B) If such Dilutive Issuance occurs on or after the Effective Date, then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal an amount determined by multiplying such Exercise Price by the following fraction:

$$\frac{N_0 + N_1}{N_0 + N_2}$$

where:

N_0 = the number of shares of Common Stock outstanding immediately prior to the issuance, sale or deemed issuance or sale of such additional shares of Common Stock in such Dilutive Issuance (without taking into account any shares of Common Stock issuable upon conversion, exchange or exercise of any securities or other

instruments which are convertible into or exercisable or exchangeable for Common Stock ("Convertible Securities") or options, warrants or other rights to purchase or subscribe for Common Stock or Convertible Securities ("Purchase Rights"), other than the shares of Common Stock issuable under the Warrants, which will be taken into account);

N_1 = the number of shares of Common Stock which the aggregate consideration, if any, received or receivable by the Company for the total number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below) would purchase at the Exercise Price in effect immediately prior to such Dilutive Issuance; and

N_2 = the number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance.

Notwithstanding the foregoing, no adjustment shall be made pursuant hereto if such adjustment would result in an increase in the Exercise Price.

(ii) Adjustment Upon Below Market Issuance. If, at any time after the Issue Date, the Company issues or sells, or in accordance with subparagraph (iii) of this paragraph (c), is deemed to have issued or sold, any shares of Common Stock for per share consideration less than an amount equal to 95% of the Five (5) Day VWAP (as defined below) on the date of such issuance or sale (or deemed issuance or sale) (a "Below Market Issuance"), then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal an amount determined by multiplying such Exercise Price by the following fraction:

$$\frac{N_0 + N_1}{N_0 + N_2}$$

where:

N_0 = the number of shares of Common Stock outstanding immediately prior to the issuance, sale or deemed issuance or sale of such additional shares of Common Stock in such Below Market Issuance (without taking into account any shares of Common Stock issuable upon conversion, exchange or exercise of any Convertible Securities or Purchase Rights, other than the shares of Common Stock issuable under the Warrants, which will be taken into account);

N_1 = the number of shares of Common Stock which the aggregate consideration, if any, received or receivable by the Company for the total number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Below Market

Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below) would purchase at the Market Price in effect on the date of such Below Market Issuance; and

N_2 = the number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Below Market Issuance.

Notwithstanding the foregoing, no adjustment shall be made pursuant to this paragraph (c)(ii) if such adjustment would result in an increase in the Exercise Price. In the event that the Company effects an issuance that is both a Dilutive Issuance and a Below Market Issuance, the Exercise Price will be adjusted to the lower of the prices calculated pursuant to subparagraphs (i) and (ii) of this paragraph (c).

As used herein, the term “Five (5) Day VWAP” means, as of a particular date, the average of each daily VWAP for the five (5) consecutive Trading Days occurring immediately prior to (but not including) such date. For the avoidance of doubt, the Five (5) Day VWAP shall be determined by calculating the daily VWAP for each of the five (5) Trading Days immediately preceding the relevant date, adding together all of the daily VWAPs for such five (5) Trading Day period, and dividing such sum by five (5).

(iii) Effect On Exercise Price Of Certain Events. For purposes of determining the adjusted Exercise Price under subparagraph (i) or (ii) of this paragraph (c), the following will be applicable:

(A) Issuance Of Purchase Rights. If the Company issues or sells any Purchase Rights, whether or not immediately exercisable, and the price per share for which Common Stock is issuable upon the exercise of such Purchase Rights (and the price of any conversion of Convertible Securities, if applicable) is less than either or both of an amount equal to 95% of the Five (5) Day VWAP and the Exercise Price in effect on the date of issuance or sale of such Purchase Rights, then the maximum total number of shares of Common Stock issuable upon the exercise of all such Purchase Rights (assuming full conversion, exercise or exchange of Convertible Securities, if applicable) shall, as of the date of the issuance or sale of such Purchase Rights, be deemed to be outstanding and to have been issued and sold by the Company for such price per share. For purposes of the preceding sentence, the “price per share for which Common Stock is issuable upon the exercise of such Purchase Rights” shall be determined by dividing (x) the total amount, if any, received or receivable by the Company as consideration for the issuance or sale of all such Purchase Rights, plus the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise of all such Purchase Rights, plus, in the case of Convertible Securities issuable upon the exercise of such Purchase Rights, the minimum aggregate amount of additional consideration payable upon the conversion, exercise or exchange thereof (determined in accordance with the calculation method set forth in subparagraph (iii)(B) below) at the time such Convertible Securities first become convertible, exercisable or exchangeable, by (y) the maximum total number of shares of Common Stock issuable upon the exercise of all such Purchase Rights (assuming full conversion, exercise or exchange of Convertible Securities, if applicable). No further adjustment to the Exercise Price shall be made upon

the actual issuance of such Common Stock upon the exercise of such Purchase Rights or upon the conversion, exercise or exchange of Convertible Securities issuable upon exercise of such Purchase Rights.

(B) Issuance Of Convertible Securities. If the Company issues or sells any Convertible Securities, whether or not immediately convertible, exercisable or exchangeable, and the price per share for which Common Stock is issuable upon such conversion, exercise or exchange is less than either or both of an amount equal to 95% of the Five (5) Day VWAP and the Exercise Price in effect on the date of issuance or sale of such Convertible Securities, then the maximum total number of shares of Common Stock issuable upon the conversion, exercise or exchange of all such Convertible Securities shall, as of the date of the issuance or sale of such Convertible Securities, be deemed to be outstanding and to have been issued and sold by the Company for such price per share. If the Convertible Securities so issued or sold do not have a fluctuating conversion or exercise price or exchange ratio, then for the purposes of the immediately preceding sentence, the "price per share for which Common Stock is issuable upon such conversion, exercise or exchange" shall be determined by dividing (x) the total amount, if any, received or receivable by the Company as consideration for the issuance or sale of all such Convertible Securities, plus the minimum aggregate amount of additional consideration, if any, payable to the Company upon the conversion, exercise or exchange thereof (determined in accordance with the calculation method set forth in this subparagraph (iii)(B)), by (y) the maximum total number of shares of Common Stock issuable upon the exercise, conversion or exchange of all such Convertible Securities. If the Convertible Securities so issued or sold have a fluctuating conversion or exercise price or exchange ratio (a "Variable Rate Convertible Security") (provided, however, that if the conversion or exercise price or exchange ratio of a Convertible Security may fluctuate solely as a result of provisions designed to protect against dilution, such Convertible Security shall not be deemed to be a Variable Rate Convertible Security), then for purposes of the first sentence of this subparagraph (B), the "price per share for which Common Stock is issuable upon such conversion, exercise or exchange" shall be deemed to be the lowest price per share which would be applicable (assuming all holding period and other conditions to any discounts contained in such Variable Rate Convertible Security have been satisfied) if the conversion price of such Variable Rate Convertible Security on the date of issuance or sale thereof were seventy-five percent (75%) of the actual conversion price on such date (the "Assumed Variable Market Price"), and, further, if the conversion price of such Variable Rate Convertible Security at any time or times thereafter is less than or equal to the Assumed Variable Market Price last used for making any adjustment under this paragraph (c) with respect to any Variable Rate Convertible Security, the Exercise Price in effect at such time shall be readjusted to equal the Exercise Price which would have resulted if the Assumed Variable Market Price at the time of issuance of the Variable Rate Convertible Security had been seventy-five percent (75%) of the actual conversion price of such Variable Rate Convertible Security existing at the time of the adjustment required by this sentence. No further adjustment to the Exercise Price shall be made upon the actual issuance of such Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(C) Change In Option Price Or Conversion Rate. If, following an adjustment to the Exercise Price upon the issuance of Purchase Rights or Convertible Securities pursuant to a Dilutive Issuance or a Below Market Issuance, there is a change at any time in (x) the amount of additional consideration payable to the Company upon the exercise of any Purchase Rights; (y) the amount of additional consideration, if any, payable to the Company upon the conversion, exercise or exchange of any Convertible Securities; or (z) the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for Common Stock (in each such case, other than under or by reason of provisions designed to protect against dilution), then in any such case, the Exercise Price in effect at the time of such change shall be readjusted to the Exercise Price which would have been in effect at such time had such Purchase Rights or Convertible Securities still outstanding provided for such changed additional consideration or changed conversion, exercise or exchange rate, as the case may be, at the time initially issued or sold.

(D) Calculation Of Consideration Received. If any Common Stock, Purchase Rights or Convertible Securities are issued or sold for cash, the consideration received therefor will be the amount received by the Company therefore. In case any Common Stock, Purchase Rights or Convertible Securities are issued or sold for a consideration part or all of which shall be other than cash, including in the case of a strategic or similar arrangement in which the other entity will provide services to the Company, purchase services from the Company or otherwise provide intangible consideration to the Company, the amount of the consideration other than cash received by the Company (including the net present value of the consideration expected by the Company for the provided or purchased services) shall be the fair market value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company will be the Market Price thereof on the date of receipt. In case any Common Stock, Purchase Rights or Convertible Securities are issued in connection with any merger or consolidation in which the Company is the surviving corporation, the amount of consideration therefor will be deemed to be the fair market value of such portion of the net assets and business of the non-surviving corporation as is attributable to such Common Stock, Purchase Rights or Convertible Securities, as the case may be. Notwithstanding anything else herein to the contrary, if Common Stock Purchase Rights or Convertible Securities are issued or sold in conjunction with each other as part of a single transaction or in a series of related transactions, the Holder may elect to determine the amount of consideration deemed to be received by the Company therefor by deducting the fair value of any type of securities (the "Disregarded Securities") issued or sold in such transaction or series of transactions. If the Holder makes an election pursuant to the immediately preceding sentence, no adjustment to the Exercise Price shall be made pursuant to this paragraph (c) for the issuance of the Disregarded Securities or upon any conversion, exercise or exchange thereof. The independent members of the Company's Board of Directors shall calculate reasonably and in good faith, using standard commercial valuation methods appropriate for valuing such assets, the fair market value of any consideration other than cash or securities.

(E) Issuances Without Consideration Pursuant to Existing Securities. If the Company issues (or becomes obligated to issue) shares of Common Stock pursuant to any anti-dilution or similar adjustments (other than as a result of stock splits, stock dividends and the like) contained in any Convertible Securities or Purchase Rights outstanding as of the date hereof, then all shares of Common Stock so issued shall be deemed to have been issued for no consideration.

(iv) Exceptions To Adjustment Of Exercise Price. Notwithstanding the foregoing, no adjustment to the Exercise Price shall be made pursuant to this paragraph (c) upon the issuance of any Excluded Securities. For purposes hereof, "Excluded Securities" means (I) securities purchased under the Securities Purchase Agreement; (II) securities issued upon exercise of the Warrants; (III) shares of Common Stock issuable or issued to (x) employees or directors from time to time either directly or upon the exercise of options, in such case granted or to be granted by the Board of Directors, pursuant to one or more stock option plans or restricted stock plans or stock purchase plans in effect as of the Closing Date or approved by the independent members of the Board of Directors or by the Company's stockholders, or (y) consultants, either directly or pursuant to warrants to purchase Common Stock that are outstanding on the date hereof or issued hereafter, provided such issuances are approved by the independent members of the Board of Directors or by the Company's stockholders; (IV) except as required by subparagraph (c)(ii)(E) above, shares of Common Stock issued in connection with any Convertible Securities or Purchase Rights outstanding on the date hereof; (V) shares of Common Stock issued to a Person in connection with a joint venture, strategic alliance or other commercial relationship with such Person relating to the operation of the Company's business and not for the purpose of raising equity capital; and (VI) securities issued with respect to which the Holders consents that no such adjustment shall be made as a result of such issuance.

(v) Notice Of Adjustments. Upon the occurrence of one or more adjustments or readjustments of the Exercise Price pursuant to this paragraph (c) or any change in the number or type of stock, securities and/or other property issuable upon exercise of this Warrant, the Company, at its expense, shall promptly compute such adjustment or readjustment or change and prepare and furnish to the Holder a notice (an "Adjustment Notice") setting forth such adjustment or readjustment or change and showing in detail the facts upon which such adjustment or readjustment or change is based, and, on or before the time that it delivers an Adjustment Notice, publicly disclose the contents thereof. The failure of the Company to deliver an Adjustment Notice shall not affect the validity of any such adjustment.

(d) Major Transactions. In the event of a merger, consolidation, business combination, tender offer, exchange of shares, recapitalization, reorganization, redemption or other similar event, as a result of which shares of Common Stock shall be changed into the same or a different number of shares of the same or another class or classes of stock or securities or other assets of the Company or another entity or the Company shall sell all or substantially all of its assets (each of the foregoing being a "Major Transaction"), the Company will give the Holder at least ten (10) Trading Days written notice prior to the earlier of (I) the closing or effectiveness of such Major Transaction and (II) the record date for the receipt of such shares of stock or securities or other assets, and: (i) the Holder shall be permitted to exercise this Warrant in whole or in part at any time prior to the record date for the receipt of such consideration and shall be entitled to receive, for each share of Common Stock issuable to Holder upon such exercise, the

same per share consideration payable to the other holders of Common Stock in connection with such Major Transaction, and (ii) if and to the extent that the Holder retains any portion of this Warrant following such record date, the Company will cause the surviving or, in the event of a sale of assets, purchasing entity, as a condition precedent to such Major Transaction, to assume the obligations of the Company under this Warrant, with such adjustments to the Exercise Price and the securities covered hereby as may be reasonably determined in good faith by the Board of Directors to be necessary in order to preserve the economic benefits of this Warrant to the Holder.

(e) Adjustments: Additional Shares, Securities or Assets. In the event that at any time, as a result of an adjustment made pursuant to this Section 6, the Holder of this Warrant shall, upon exercise of this Warrant, become entitled to receive securities or assets (other than Common Stock) then, wherever appropriate, all references herein to shares of Common Stock shall be deemed to refer to and include such shares and/or other securities or assets; and thereafter the number of such shares and/or other securities or assets shall be subject to adjustment from time to time in a manner and upon terms as nearly equivalent as practicable to the provisions of this Section 6. Any adjustment made herein pursuant to Section 6(a) that results in a decrease in the Exercise Price shall also effect a proportional increase in the number of shares of Common Stock into which this Warrant is exercisable.

7. Fractional Interests.

No fractional shares or scrip representing fractional shares shall be issuable upon the exercise of this Warrant, but on exercise of this Warrant, the Holder hereof may purchase only a whole number of shares of Common Stock. If, on exercise of this Warrant, the Holder hereof would be entitled to a fractional share of Common Stock or a right to acquire a fractional share of Common Stock, the Company shall, in lieu of issuing any such fractional share, pay to the Holder an amount in cash equal to the product resulting from multiplying such fraction by the Market Price as of the Exercise Date.

8. Transfer of this Warrant.

The Holder may sell, transfer, assign, pledge or otherwise dispose of this Warrant, in whole or in part, as long as such sale or other disposition is made pursuant to an effective registration statement or an exemption from the registration requirements of the Securities Act. Upon such transfer or other disposition (other than a pledge), the Holder shall deliver this Warrant to the Company together with a written notice to the Company, substantially in the form of the Transfer Notice attached hereto as Exhibit B (the "Transfer Notice"), indicating the person or persons to whom this Warrant shall be transferred and, if less than all of this Warrant is transferred, the number of Warrant Shares to be covered by the part of this Warrant to be transferred to each such person. Within three (3) Business Days of receiving a Transfer Notice and the original of this Warrant, the Company shall deliver to the each transferee designated by the Holder a Warrant or Warrants of like tenor and terms for the appropriate number of Warrant Shares and, if less than all this Warrant is transferred, shall deliver to the Holder a Warrant for the remaining number of Warrant Shares.

9. Benefits of this Warrant.

This Warrant shall be for the sole and exclusive benefit of the Holder of this Warrant and nothing in this Warrant shall be construed to confer upon any person other than the Holder of this Warrant any legal or equitable right, remedy or claim hereunder.

10. Loss, theft, destruction or mutilation of Warrant.

Upon receipt by the Company of evidence of the loss, theft, destruction or mutilation of this Warrant, and (in the case of loss, theft or destruction) of indemnity reasonably satisfactory to the Company, and upon surrender of this Warrant, if mutilated, the Company shall execute and deliver a new Warrant of like tenor and date.

11. Notice or Demands.

Any notice, demand or request required or permitted to be given by the Company or the Holder pursuant to the terms of this Warrant shall be in writing and shall be deemed delivered (i) when delivered personally or by verifiable facsimile transmission, unless such delivery is made on a day that is not a Business Day, in which case such delivery will be deemed to be made on the next succeeding Business Day, (ii) on the next Business Day after timely delivery to an overnight courier and (iii) on the Business Day actually received if deposited in the U.S. mail (certified or registered mail, return receipt requested, postage prepaid), addressed as follows:

12. Applicable Law.

This Warrant is issued under and shall for all purposes be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within the State of New York.

13. Amendments.

No amendment, modification or other change to, or waiver of any provision of, this Warrant may be made unless such amendment, modification or change is (A) set forth in writing and is signed by the Company and (B) agreed to in writing by the holders of Warrants exercisable for a majority of the number of shares into which the all of the then outstanding Warrants issued pursuant to the Securities Purchase Agreement are exercisable (without regard to any limitation contained herein on such exercise), it being understood that upon the satisfaction of the conditions described in (A) and (B) above, each Warrant (including any Warrant held by the Holder who did not execute the agreement specified in (B) above) shall be deemed to incorporate any amendment, modification, change or waiver effected thereby as of the effective date thereof.

14. Entire Agreement.

This Warrant, the Securities Purchase Agreement, the Registration Rights Agreement, and the other Transaction Documents constitute the entire agreement among the parties hereto with respect to the subject matter hereof and thereof. There are no restrictions, promises, warranties or undertakings, other than those set forth or referred to herein and therein. This Warrant, the Securities Purchase Agreement, the Registration Rights Agreement, and the other Transaction Documents supersede all prior agreements and understandings among the parties hereto with respect to the subject matter hereof and thereof.

WARRANT
TO PURCHASE COMMON STOCK
OF
MICROVISION, INC.

Issue Date: August 9, 2005

Warrant No. 2

THIS CERTIFIES that SATELLITE STRATEGIC FINANCE PARTNERS LTD. or any subsequent holder hereof (the "Holder"), has the right to purchase from MICROVISION, INC., a Delaware corporation (the "Company"), upon the terms and subject to the limitations on exercise and conditions hereinafter set forth, up to 140,139 fully paid and nonassessable shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), subject to adjustment as provided herein, at a price per share equal to the Exercise Price (as defined below), at any time and from time to time beginning on the date on which this Warrant is originally issued (the "Issue Date") and ending at 6:00 p.m., eastern time, on the date that is the fifth (5th) anniversary of the Issue Date (or, if such date is not a Business Day, on the Business Day immediately following such date) (the "Expiration Date"). This Warrant is issued pursuant to a Securities Purchase Agreement, dated as of August 8, 2005 (the "Securities Purchase Agreement"). Capitalized terms used herein and not otherwise defined shall have the respective meanings set forth in the Securities Purchase Agreement.

1. Exercise.

(a) Right to Exercise; Exercise Price. The Holder shall have the right to exercise this Warrant at any time and from time to time during the period beginning on the Issue Date and ending on the Expiration Date as to all or any part of the shares of Common Stock covered hereby (the "Warrant Shares"). The "Exercise Price" for each Warrant Share purchased by the Holder upon the exercise of this Warrant shall be equal to \$6.50, subject to adjustment for the events specified in Section 6 below.

(b) Exercise Notice. In order to exercise this Warrant, the Holder shall send to the Company by facsimile transmission, at any time prior to 6:00 p.m., eastern time, on the Business Day on which the Holder wishes to effect such exercise (the "Exercise Date"), (i) a notice of exercise in substantially the form attached hereto as Exhibit A (the "Exercise Notice"), and (ii) a copy of the original Warrant, and, in the case of a Cash Exercise (as defined below), the Holder shall pay the Exercise Price to the Company by wire transfer. The Exercise Notice shall state the name or names in which the shares of Common Stock that are issuable on such exercise shall be issued. In the case of a dispute between the Company and the Holder as to the calculation of the Exercise Price or the number of Warrant Shares issuable hereunder (including, without limitation, the calculation of any adjustment pursuant to Section 6 below), the Company shall issue to the Holder the number of Warrant Shares that are not disputed within the time periods specified in Section 2 below and shall submit the disputed calculations to a certified public accounting firm of national recognition (other than the Company's regularly retained accountants) within three (3) Business Days following the Company's receipt of the Holder's Exercise Notice. The Company shall cause such accountant to calculate the Exercise Price and/or the number of Warrant Shares issuable hereunder and to notify the Company and the Holder of the results in writing no later than three (3) Business Days following the day on which such accountant received the disputed calculations (the "Dispute Procedure"). Such accountant's calculation shall be deemed conclusive absent manifest error. The fees of any such accountant shall be borne by the party whose calculations were most at variance with those of such accountant.

(c) Holder of Record. The Holder shall, for all purposes, be deemed to have become the holder of record of the Warrant Shares specified in an Exercise Notice on the Exercise Date specified therein, irrespective of the date of delivery of such Warrant Shares. Except as specifically provided herein, nothing in this Warrant shall be construed as conferring upon the Holder hereof any rights as a stockholder of the Company prior to the Exercise Date.

(d) Cancellation of Warrant. This Warrant shall be canceled upon its exercise in full and, if this Warrant is exercised in part, the Company shall, at the time that it delivers Warrant Shares to the Holder pursuant to such exercise as provided herein, issue a new warrant, and deliver to the Holder a certificate representing such new warrant, with terms identical in all respects to this Warrant (except that such new warrant shall be exercisable into the number of shares of Common Stock with respect to which this Warrant shall remain unexercised); *provided, however*, that the Holder shall be entitled to exercise all or any portion of such new warrant at any time following the time at which this Warrant is exercised, regardless of whether the Company has actually issued such new warrant or delivered to the Holder a certificate therefor.

2. Delivery of Warrant Shares Upon Exercise. Upon receipt of an Exercise Notice pursuant to Section 1 above, the Company shall, (A) in the case of a Cash Exercise, no later than the close of business on the later to occur of (i) the third (3rd) Business Day following the Exercise Date set forth in such Exercise Notice and (ii) such later date on which the Company shall have received payment of the Exercise Price, (B) in the case of a Cashless Exercise (as defined below), no later than the close of business on the third (3rd) Business Day following the Exercise Date set forth in such Exercise Notice, and (C) with respect to Warrant Shares that are the subject of a Dispute Procedure, the close of business on the third (3rd) Business Day following the determination made pursuant to Section 1(b) (each of the dates specified in (A), (B) or (C) being referred to as a "Delivery Date"), issue and deliver or caused to be delivered to the Holder the number of Warrant Shares as shall be determined as provided herein. As long as the Company's transfer agent ("Transfer Agent") participates in the Depository Trust Company ("DTC") Fast Automated Securities Transfer program ("FAST"), and except as otherwise provided in the next following sentence of this Section 2, the Company shall effect delivery of Warrant Shares to the Holder by crediting the account of the Holder or its nominee at DTC (as specified in the applicable Exercise Notice) with the number of Warrant Shares required to be delivered, no later than the close of business on such Delivery Date. In the event that the Transfer Agent is not a participant in FAST, or if the Warrant Shares are not otherwise eligible for delivery through FAST, or if the Holder so specifies in an Exercise Notice or otherwise in writing on or before the Exercise Date, the Company shall effect delivery of Warrant Shares by delivering to the Holder or its nominee physical certificates representing such Warrant Shares, no later than the close of business on such Delivery Date. Warrant Shares delivered to the Holder shall not contain any restrictive legend as long as the resale of such Warrant Shares (x) has been or will be made (as certified in writing by the Holder to the Company) pursuant to an effective Registration Statement (as defined in the Registration Rights Agreement), (y) has been made pursuant to Rule 144, or (z) may be made pursuant to Rule 144(k) or any successor rule or provision.

3. Failure to Deliver Warrant Shares.

(a) In the event that the Company fails for any reason to deliver to the Holder the number of Warrant Shares specified in the applicable Exercise Notice on or before the Delivery Date therefor (an "Exercise Default"), the Company shall pay to the Holder payments ("Exercise Default Payments") in the amount of (i) $(N/365)$ multiplied by (ii) the aggregate Exercise Price of the Warrant Shares which are the subject of such Exercise Default multiplied by (iii) the lower of twelve percent (12%) per annum and the maximum rate permitted by applicable law (the "Default Interest Rate"), where "N" equals the number of days elapsed between the original Delivery Date of such Warrant Shares and the date on which all of such Warrant Shares are issued and delivered to the Holder. Cash amounts payable hereunder shall be paid on or before the fifth (5th) Business Day of each calendar month following the calendar month in which such amount has accrued.

(b) In the event of an Exercise Default, the Holder may, upon written notice to the Company, regain on the date of such notice the rights of the Holder under the exercised portion of this Warrant that is the subject of such Exercise Default. In such event, the Holder shall retain all of the Holder's rights and remedies with respect to the Company's failure to deliver such Warrant Shares (including without limitation the right to receive the cash payments specified in

Section 3(a) above); provided, however, that such cash payments shall cease to accrue effective as of the date of such notice.

(c) The Holder's rights and remedies hereunder are cumulative, and no right or remedy is exclusive of any other. In addition to the amounts specified herein, the Holder shall have the right to pursue all other remedies available to it at law or in equity (including, without limitation, a decree of specific performance and/or injunctive relief). Nothing herein shall limit the Holder's right to pursue actual damages for the Company's failure to issue and deliver Warrant Shares on the applicable Delivery Date (including, without limitation, damages relating to any purchase of Common Stock by the Holder to make delivery on a sale effected in anticipation of receiving Warrant Shares upon exercise, such damages to be in an amount equal to (A) the aggregate amount paid by the Holder for the Common Stock so purchased minus (B) the aggregate amount of net proceeds, if any, received by the Holder from the sale of the Warrant Shares issued by the Company pursuant to such exercise).

4. Exercise Limitations. In no event shall a Holder be permitted to exercise this Warrant, or part hereof, if, upon such exercise, the number of shares of Common Stock beneficially owned by the Holder (other than shares which would otherwise be deemed beneficially owned except for being subject to a limitation on conversion or exercise analogous to the limitation contained in this Section 4(a)), would exceed 4.99% of the number of shares of Common Stock then issued and outstanding. As used herein, beneficial ownership shall be determined in accordance with Section 13(d) of the Securities Exchange Act of 1934, as amended, and the rules thereunder. To the extent that the limitation contained in this Section 4(a) applies, the submission of an Exercise Notice by the Holder shall be deemed to be the Holder's representation that this Warrant is exercisable pursuant to the terms hereof and the Company shall be entitled to rely on such representation without making any further inquiry as to whether this Section 4(a) applies. Nothing contained herein shall be deemed to restrict the right of a Holder to exercise this Warrant, or part thereof, at such time as such exercise will not violate the provisions of this Section 4(a). This Section 4(a) may not be amended unless such amendment is approved by the holders of a majority of the Common Stock then outstanding; *provided, however*, that the limitations contained in this Section 4(a) shall cease to apply (x) upon sixty (60) days' prior written notice from the Holder to the Company, or (y) immediately upon written notice from the Holder to the Company at any time after the public announcement or other disclosure of a Major Transaction (as defined below) or a Change of Control.

5. Payment of the Exercise Price; Cashless Exercise. The Holder may pay the Exercise Price in either of the following forms or, at the election of Holder, a combination thereof:

(a) through a cash exercise (a "Cash Exercise") by delivering immediately available funds, or

(b) if an effective Registration Statement is not available for the resale of all of the Warrant Shares issuable hereunder at the time an Exercise Notice is delivered to the Company, through a cashless exercise (a "Cashless Exercise"), as hereinafter provided. The Holder may effect a Cashless Exercise by surrendering this Warrant to the Company and noting on the

Exercise Notice that the Holder wishes to effect a Cashless Exercise, upon which the Company shall issue to the Holder the number of Warrant Shares determined as follows:

$$X = Y \times (A-B)/A$$

where:

X = the number of Warrant Shares to be issued to the Holder;

Y = the number of Warrant Shares with respect to which this Warrant is being exercised;

A = the Market Price as of the Exercise Date; and

B = the Exercise Price.

For purposes of Rule 144, it is intended and acknowledged that the Warrant Shares issued in a Cashless Exercise transaction shall be deemed to have been acquired by the Holder, and the holding period for the Warrant Shares required by Rule 144 shall be deemed to have been commenced, on the Issue Date.

6. Anti-Dilution Adjustments; Distributions; Other Events The Exercise Price and the number of Warrant Shares issuable hereunder shall be subject to adjustment from time to time as provided in this Section 6. In the event that any adjustment of the Exercise Price or the number of Warrant Shares as required herein results in a fraction of a cent or fraction of a share, as applicable, such Exercise Price or number of Warrant Shares shall be rounded up or down to the nearest cent or share, as applicable.

(a) Subdivision or Combination of Common Stock. If the Company, at any time after the Execution Date, subdivides (by any stock split, stock dividend, recapitalization, reorganization, reclassification or otherwise) the outstanding shares of Common Stock into a greater number of shares, then effective upon the close of business on the record date for effecting such subdivision, the Exercise Price in effect immediately prior to such subdivision will be proportionately reduced. If the Company, at any time after the Issue Date, combines (by reverse stock split, recapitalization, reorganization, reclassification or otherwise) the outstanding shares of Common Stock into a smaller number of shares, then, effective upon the close of business on the record date for effecting such combination, the Exercise Price in effect immediately prior to such combination will be proportionately increased.

(b) Distributions. If the Company shall declare or make any distribution of cash or any other assets (or rights to acquire such assets) to holders of Common Stock, as a partial liquidating dividend or otherwise, including without limitation any dividend or distribution to the Company's stockholders in shares (or rights to acquire shares) of capital stock of a subsidiary) (a "Distribution"), the Company shall deliver written notice of such Distribution (a "Distribution Notice") to the Holder at least thirty (30) days prior to the earlier to occur of (i) the record date for determining stockholders entitled to such Distribution (the "Record Date") and (ii) the date on which such Distribution is made (the "Distribution Date"). In the Distribution Notice to a Holder, the Company must indicate whether the Company has elected (A) to deliver to such Holder the same amount and type of assets being distributed in such Distribution as though the

Holder were a holder on the Determination Date thereof of a number of shares of Common Stock into which the this Warrant is exercisable as of such Determination Date (such number of shares to be determined at the Exercise Price then in effect and without giving effect to any limitations on such exercise) or (B) to reduce the Exercise Price as of the Determination Date thereof by an amount equal to the fair market value of the assets to be distributed divided by the number of shares of Common Stock as to which such Distribution is to be made, such fair market value to be reasonably determined in good faith by the independent members of the Company's Board of Directors. If the Company does not notify the Holders of its election pursuant to the preceding sentence within two (2) Business Days following the date on which the Company publicly announces a Distribution, the Company shall be deemed to have elected clause (A) of the preceding sentence.

(c) Dilutive Issuances.

(i) Adjustment Upon Dilutive Issuance. If, at any time after the Issue Date, the Company issues or sells, or in accordance with subparagraph (iii) of this paragraph (c), is deemed to have issued or sold, any shares of Common Stock for no consideration or for a consideration per share less than the Exercise Price on the date of such issuance or sale (or deemed issuance or sale) (a "Dilutive Issuance"), then the Exercise Price shall be adjusted as follows:

(A) If such Dilutive Issuance occurs prior to the Effective Date (as defined in the Registration Rights Agreement), then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal the consideration received or receivable by the Company (on a per share basis) for the additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below). Notwithstanding the foregoing, prior to the Effective Date, the Company shall not engage in any transaction that would result in the issuance or deemed issuance of shares of Common Stock (other than Excluded Securities (as defined below)) for no consideration.

(B) If such Dilutive Issuance occurs on or after the Effective Date, then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal an amount determined by multiplying such Exercise Price by the following fraction:

$$\frac{N_0 + N_1}{N_0 + N_2}$$

where:

N_0 = the number of shares of Common Stock outstanding immediately prior to the issuance, sale or deemed issuance or sale of such additional shares of Common Stock in such Dilutive Issuance (without taking into account any shares of Common Stock issuable upon conversion, exchange or exercise of any securities or other

instruments which are convertible into or exercisable or exchangeable for Common Stock ("Convertible Securities") or options, warrants or other rights to purchase or subscribe for Common Stock or Convertible Securities ("Purchase Rights"), other than the shares of Common Stock issuable under the Warrants, which will be taken into account);

- N_1 = the number of shares of Common Stock which the aggregate consideration, if any, received or receivable by the Company for the total number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below) would purchase at the Exercise Price in effect immediately prior to such Dilutive Issuance; and
- N_2 = the number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Dilutive Issuance.

Notwithstanding the foregoing, no adjustment shall be made pursuant hereto if such adjustment would result in an increase in the Exercise Price.

(ii) Adjustment Upon Below Market Issuance. If, at any time after the Issue Date, the Company issues or sells, or in accordance with subparagraph (iii) of this paragraph (c), is deemed to have issued or sold, any shares of Common Stock for per share consideration less than an amount equal to 95% of the Five (5) Day VWAP (as defined below) on the date of such issuance or sale (or deemed issuance or sale) (a "Below Market Issuance"), then effective immediately upon the Dilutive Issuance, the Exercise Price shall be adjusted so as to equal an amount determined by multiplying such Exercise Price by the following fraction:

$$\frac{N_0 + N_1}{N_0 + N_2}$$

where:

- N_0 = the number of shares of Common Stock outstanding immediately prior to the issuance, sale or deemed issuance or sale of such additional shares of Common Stock in such Below Market Issuance (without taking into account any shares of Common Stock issuable upon conversion, exchange or exercise of any Convertible Securities or Purchase Rights, other than the shares of Common Stock issuable under the Warrants, which will be taken into account);
- N_1 = the number of shares of Common Stock which the aggregate consideration, if any, received or receivable by the Company for the total number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Below Market

Issuance (which, in the case of a deemed issuance or sale, shall be calculated in accordance with subparagraph (iii) below) would purchase at the Market Price in effect on the date of such Below Market Issuance; and

$N_2 =$ the number of such additional shares of Common Stock so issued, sold or deemed issued or sold in such Below Market Issuance.

Notwithstanding the foregoing, no adjustment shall be made pursuant to this paragraph (c)(ii) if such adjustment would result in an increase in the Exercise Price. In the event that the Company effects an issuance that is both a Dilutive Issuance and a Below Market Issuance, the Exercise Price will be adjusted to the lower of the prices calculated pursuant to subparagraphs (i) and (ii) of this paragraph (c).

As used herein, the term “Five (5) Day VWAP” means, as of a particular date, the average of each daily VWAP for the five (5) consecutive Trading Days occurring immediately prior to (but not including) such date. For the avoidance of doubt, the Five (5) Day VWAP shall be determined by calculating the daily VWAP for each of the five (5) Trading Days immediately preceding the relevant date, adding together all of the daily VWAPs for such five (5) Trading Day period, and dividing such sum by five (5).

(iii) Effect On Exercise Price Of Certain Events. For purposes of determining the adjusted Exercise Price under subparagraph (i) or (ii) of this paragraph (c), the following will be applicable:

(A) Issuance Of Purchase Rights. If the Company issues or sells any Purchase Rights, whether or not immediately exercisable, and the price per share for which Common Stock is issuable upon the exercise of such Purchase Rights (and the price of any conversion of Convertible Securities, if applicable) is less than either or both of an amount equal to 95% of the Five (5) Day VWAP and the Exercise Price in effect on the date of issuance or sale of such Purchase Rights, then the maximum total number of shares of Common Stock issuable upon the exercise of all such Purchase Rights (assuming full conversion, exercise or exchange of Convertible Securities, if applicable) shall, as of the date of the issuance or sale of such Purchase Rights, be deemed to be outstanding and to have been issued and sold by the Company for such price per share. For purposes of the preceding sentence, the “price per share for which Common Stock is issuable upon the exercise of such Purchase Rights” shall be determined by dividing (x) the total amount, if any, received or receivable by the Company as consideration for the issuance or sale of all such Purchase Rights, plus the minimum aggregate amount of additional consideration, if any, payable to the Company upon the exercise of all such Purchase Rights, plus, in the case of Convertible Securities issuable upon the exercise of such Purchase Rights, the minimum aggregate amount of additional consideration payable upon the conversion, exercise or exchange thereof (determined in accordance with the calculation method set forth in subparagraph (iii)(B) below) at the time such Convertible Securities first become convertible, exercisable or exchangeable, by (y) the maximum total number of shares of Common Stock issuable upon the exercise of all such Purchase Rights (assuming full conversion, exercise or exchange of Convertible Securities, if applicable). No further adjustment to the Exercise Price shall be made upon

the actual issuance of such Common Stock upon the exercise of such Purchase Rights or upon the conversion, exercise or exchange of Convertible Securities issuable upon exercise of such Purchase Rights.

(B) Issuance Of Convertible Securities. If the Company issues or sells any Convertible Securities, whether or not immediately convertible, exercisable or exchangeable, and the price per share for which Common Stock is issuable upon such conversion, exercise or exchange is less than either or both of an amount equal to 95% of the Five (5) Day VWAP and the Exercise Price in effect on the date of issuance or sale of such Convertible Securities, then the maximum total number of shares of Common Stock issuable upon the conversion, exercise or exchange of all such Convertible Securities shall, as of the date of the issuance or sale of such Convertible Securities, be deemed to be outstanding and to have been issued and sold by the Company for such price per share. If the Convertible Securities so issued or sold do not have a fluctuating conversion or exercise price or exchange ratio, then for the purposes of the immediately preceding sentence, the "price per share for which Common Stock is issuable upon such conversion, exercise or exchange" shall be determined by dividing (x) the total amount, if any, received or receivable by the Company as consideration for the issuance or sale of all such Convertible Securities, plus the minimum aggregate amount of additional consideration, if any, payable to the Company upon the conversion, exercise or exchange thereof (determined in accordance with the calculation method set forth in this subparagraph (iii)(B)), by (y) the maximum total number of shares of Common Stock issuable upon the exercise, conversion or exchange of all such Convertible Securities. If the Convertible Securities so issued or sold have a fluctuating conversion or exercise price or exchange ratio (a "Variable Rate Convertible Security") (provided, however, that if the conversion or exercise price or exchange ratio of a Convertible Security may fluctuate solely as a result of provisions designed to protect against dilution, such Convertible Security shall not be deemed to be a Variable Rate Convertible Security), then for purposes of the first sentence of this subparagraph (B), the "price per share for which Common Stock is issuable upon such conversion, exercise or exchange" shall be deemed to be the lowest price per share which would be applicable (assuming all holding period and other conditions to any discounts contained in such Variable Rate Convertible Security have been satisfied) if the conversion price of such Variable Rate Convertible Security on the date of issuance or sale thereof were seventy-five percent (75%) of the actual conversion price on such date (the "Assumed Variable Market Price"), and, further, if the conversion price of such Variable Rate Convertible Security at any time or times thereafter is less than or equal to the Assumed Variable Market Price last used for making any adjustment under this paragraph (c) with respect to any Variable Rate Convertible Security, the Exercise Price in effect at such time shall be readjusted to equal the Exercise Price which would have resulted if the Assumed Variable Market Price at the time of issuance of the Variable Rate Convertible Security had been seventy-five percent (75%) of the actual conversion price of such Variable Rate Convertible Security existing at the time of the adjustment required by this sentence. No further adjustment to the Exercise Price shall be made upon the actual issuance of such Common Stock upon conversion, exercise or exchange of such Convertible Securities.

(C) Change In Option Price Or Conversion Rate. If, following an adjustment to the Exercise Price upon the issuance of Purchase Rights or Convertible Securities pursuant to a Dilutive Issuance or a Below Market Issuance, there is a change at any time in (x) the amount of additional consideration payable to the Company upon the exercise of any Purchase Rights; (y) the amount of additional consideration, if any, payable to the Company upon the conversion, exercise or exchange of any Convertible Securities; or (z) the rate at which any Convertible Securities are convertible into or exercisable or exchangeable for Common Stock (in each such case, other than under or by reason of provisions designed to protect against dilution), then in any such case, the Exercise Price in effect at the time of such change shall be readjusted to the Exercise Price which would have been in effect at such time had such Purchase Rights or Convertible Securities still outstanding provided for such changed additional consideration or changed conversion, exercise or exchange rate, as the case may be, at the time initially issued or sold.

(D) Calculation Of Consideration Received. If any Common Stock, Purchase Rights or Convertible Securities are issued or sold for cash, the consideration received therefor will be the amount received by the Company therefore. In case any Common Stock, Purchase Rights or Convertible Securities are issued or sold for a consideration part or all of which shall be other than cash, including in the case of a strategic or similar arrangement in which the other entity will provide services to the Company, purchase services from the Company or otherwise provide intangible consideration to the Company, the amount of the consideration other than cash received by the Company (including the net present value of the consideration expected by the Company for the provided or purchased services) shall be the fair market value of such consideration, except where such consideration consists of publicly traded securities, in which case the amount of consideration received by the Company will be the Market Price thereof on the date of receipt. In case any Common Stock, Purchase Rights or Convertible Securities are issued in connection with any merger or consolidation in which the Company is the surviving corporation, the amount of consideration therefor will be deemed to be the fair market value of such portion of the net assets and business of the non-surviving corporation as is attributable to such Common Stock, Purchase Rights or Convertible Securities, as the case may be. Notwithstanding anything else herein to the contrary, if Common Stock Purchase Rights or Convertible Securities are issued or sold in conjunction with each other as part of a single transaction or in a series of related transactions, the Holder may elect to determine the amount of consideration deemed to be received by the Company therefor by deducting the fair value of any type of securities (the "Disregarded Securities") issued or sold in such transaction or series of transactions. If the Holder makes an election pursuant to the immediately preceding sentence, no adjustment to the Exercise Price shall be made pursuant to this paragraph (c) for the issuance of the Disregarded Securities or upon any conversion, exercise or exchange thereof. The independent members of the Company's Board of Directors shall calculate reasonably and in good faith, using standard commercial valuation methods appropriate for valuing such assets, the fair market value of any consideration other than cash or securities.

(E) Issuances Without Consideration Pursuant to Existing Securities. If the Company issues (or becomes obligated to issue) shares of Common Stock pursuant to any anti-dilution or similar adjustments (other than as a result of stock splits, stock dividends and the like) contained in any Convertible Securities or Purchase Rights outstanding as of the date hereof, then all shares of Common Stock so issued shall be deemed to have been issued for no consideration.

(iv) Exceptions To Adjustment Of Exercise Price. Notwithstanding the foregoing, no adjustment to the Exercise Price shall be made pursuant to this paragraph (c) upon the issuance of any Excluded Securities. For purposes hereof, "Excluded Securities" means (I) securities purchased under the Securities Purchase Agreement; (II) securities issued upon exercise of the Warrants; (III) shares of Common Stock issuable or issued to (x) employees or directors from time to time either directly or upon the exercise of options, in such case granted or to be granted by the Board of Directors, pursuant to one or more stock option plans or restricted stock plans or stock purchase plans in effect as of the Closing Date or approved by the independent members of the Board of Directors or by the Company's stockholders, or (y) consultants, either directly or pursuant to warrants to purchase Common Stock that are outstanding on the date hereof or issued hereafter, provided such issuances are approved by the independent members of the Board of Directors or by the Company's stockholders; (IV) except as required by subparagraph (c)(ii)(E) above, shares of Common Stock issued in connection with any Convertible Securities or Purchase Rights outstanding on the date hereof; (V) shares of Common Stock issued to a Person in connection with a joint venture, strategic alliance or other commercial relationship with such Person relating to the operation of the Company's business and not for the purpose of raising equity capital; and (VI) securities issued with respect to which the Holders consents that no such adjustment shall be made as a result of such issuance.

(v) Notice Of Adjustments. Upon the occurrence of one or more adjustments or readjustments of the Exercise Price pursuant to this paragraph (c) or any change in the number or type of stock, securities and/or other property issuable upon exercise of this Warrant, the Company, at its expense, shall promptly compute such adjustment or readjustment or change and prepare and furnish to the Holder a notice (an "Adjustment Notice") setting forth such adjustment or readjustment or change and showing in detail the facts upon which such adjustment or readjustment or change is based, and, on or before the time that it delivers an Adjustment Notice, publicly disclose the contents thereof. The failure of the Company to deliver an Adjustment Notice shall not affect the validity of any such adjustment.

(d) Major Transactions. In the event of a merger, consolidation, business combination, tender offer, exchange of shares, recapitalization, reorganization, redemption or other similar event, as a result of which shares of Common Stock shall be changed into the same or a different number of shares of the same or another class or classes of stock or securities or other assets of the Company or another entity or the Company shall sell all or substantially all of its assets (each of the foregoing being a "Major Transaction"), the Company will give the Holder at least ten (10) Trading Days written notice prior to the earlier of (I) the closing or effectiveness of such Major Transaction and (II) the record date for the receipt of such shares of stock or securities or other assets, and: (i) the Holder shall be permitted to exercise this Warrant in whole or in part at any time prior to the record date for the receipt of such consideration and shall be entitled to receive, for each share of Common Stock issuable to Holder upon such exercise, the

same per share consideration payable to the other holders of Common Stock in connection with such Major Transaction, and (ii) if and to the extent that the Holder retains any portion of this Warrant following such record date, the Company will cause the surviving or, in the event of a sale of assets, purchasing entity, as a condition precedent to such Major Transaction, to assume the obligations of the Company under this Warrant, with such adjustments to the Exercise Price and the securities covered hereby as may be reasonably determined in good faith by the Board of Directors to be necessary in order to preserve the economic benefits of this Warrant to the Holder.

(c) Adjustments: Additional Shares, Securities or Assets. In the event that at any time, as a result of an adjustment made pursuant to this Section 6, the Holder of this Warrant shall, upon exercise of this Warrant, become entitled to receive securities or assets (other than Common Stock) then, wherever appropriate, all references herein to shares of Common Stock shall be deemed to refer to and include such shares and/or other securities or assets; and thereafter the number of such shares and/or other securities or assets shall be subject to adjustment from time to time in a manner and upon terms as nearly equivalent as practicable to the provisions of this Section 6. Any adjustment made herein pursuant to Section 6(a) that results in a decrease in the Exercise Price shall also effect a proportional increase in the number of shares of Common Stock into which this Warrant is exercisable.

7. Fractional Interests.

No fractional shares or scrip representing fractional shares shall be issuable upon the exercise of this Warrant, but on exercise of this Warrant, the Holder hereof may purchase only a whole number of shares of Common Stock. If, on exercise of this Warrant, the Holder hereof would be entitled to a fractional share of Common Stock or a right to acquire a fractional share of Common Stock, the Company shall, in lieu of issuing any such fractional share, pay to the Holder an amount in cash equal to the product resulting from multiplying such fraction by the Market Price as of the Exercise Date.

8. Transfer of this Warrant.

The Holder may sell, transfer, assign, pledge or otherwise dispose of this Warrant, in whole or in part, as long as such sale or other disposition is made pursuant to an effective registration statement or an exemption from the registration requirements of the Securities Act. Upon such transfer or other disposition (other than a pledge), the Holder shall deliver this Warrant to the Company together with a written notice to the Company, substantially in the form of the Transfer Notice attached hereto as Exhibit B (the "Transfer Notice"), indicating the person or persons to whom this Warrant shall be transferred and, if less than all of this Warrant is transferred, the number of Warrant Shares to be covered by the part of this Warrant to be transferred to each such person. Within three (3) Business Days of receiving a Transfer Notice and the original of this Warrant, the Company shall deliver to the each transferee designated by the Holder a Warrant or Warrants of like tenor and terms for the appropriate number of Warrant Shares and, if less than all this Warrant is transferred, shall deliver to the Holder a Warrant for the remaining number of Warrant Shares.

9. Benefits of this Warrant.

This Warrant shall be for the sole and exclusive benefit of the Holder of this Warrant and nothing in this Warrant shall be construed to confer upon any person other than the Holder of this Warrant any legal or equitable right, remedy or claim hereunder.

10. Loss, theft, destruction or mutilation of Warrant.

Upon receipt by the Company of evidence of the loss, theft, destruction or mutilation of this Warrant, and (in the case of loss, theft or destruction) of indemnity reasonably satisfactory to the Company, and upon surrender of this Warrant, if mutilated, the Company shall execute and deliver a new Warrant of like tenor and date.

11. Notice or Demands.

Any notice, demand or request required or permitted to be given by the Company or the Holder pursuant to the terms of this Warrant shall be in writing and shall be deemed delivered (i) when delivered personally or by verifiable facsimile transmission, unless such delivery is made on a day that is not a Business Day, in which case such delivery will be deemed to be made on the next succeeding Business Day, (ii) on the next Business Day after timely delivery to an overnight courier and (iii) on the Business Day actually received if deposited in the U.S. mail (certified or registered mail, return receipt requested, postage prepaid), addressed as follows:

12. Applicable Law.

This Warrant is issued under and shall for all purposes be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within the State of New York.

13. Amendments.

No amendment, modification or other change to, or waiver of any provision of, this Warrant may be made unless such amendment, modification or change is (A) set forth in writing and is signed by the Company and (B) agreed to in writing by the holders of Warrants exercisable for a majority of the number of shares into which the all of the then outstanding Warrants issued pursuant to the Securities Purchase Agreement are exercisable (without regard to any limitation contained herein on such exercise), it being understood that upon the satisfaction of the conditions described in (A) and (B) above, each Warrant (including any Warrant held by the Holder who did not execute the agreement specified in (B) above) shall be deemed to incorporate any amendment, modification, change or waiver effected thereby as of the effective date thereof.

14. Entire Agreement.

Such entities are each referred to herein as an "Investor" and, collectively, as the "Investors".

A. The Company has agreed, on the terms and subject to the conditions set forth in the Securities Purchase Agreement, dated as of August 8, 2005 (the "Securities Purchase Agreement"), to issue and sell to each Investor named therein (A) shares of the Company's common stock, par value \$0.001 per share (the "Common Stock"), and (B) a Warrant in the form attached to the Securities Purchase Agreement (each, a "Warrant" and, collectively, the "Warrants").

B. The Warrants are exercisable into shares of Common Stock (the "Warrant Shares") in accordance with their terms.

C. The Company has agreed, on the terms and subject to the conditions set forth in the Conversion and Modification Agreement, dated as of the date hereof (the "Conversion Agreement"), to issue 124,170 shares of Common Stock (the "Incentive Shares") to Satellite.

D. In order to induce each Investor to enter into the Securities Purchase Agreement, and to induce Satellite to enter into the Conversion Agreement, the Company has agreed to provide certain registration rights under the Securities Act of 1933, as amended (the "Securities Act"), and under applicable state securities laws.

In consideration of each Investor entering into the Securities Purchase Agreement, and of Satellite entering into the Conversion Agreement, and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. DEFINITIONS.

For purposes of this Agreement, the following terms shall have the meanings specified:

"Business Day" means any day other than a Saturday, a Sunday or a day on which the Commission is closed or on which banks in the City of New York are authorized by law to be closed.

"Commission" means the Securities and Exchange Commission.

"Effective Date" means the date on which the Registration Statement is declared effective by the Commission.

"Filing Deadline" means the thirtieth (30th) calendar day following the Closing Date.

“Holder” means any person owning or having the right to acquire, through exercise of the Warrants or otherwise, Registrable Securities, including initially each Investor and thereafter any permitted assignee thereof.

“Registrable Securities” means (i) the Shares and the Warrant Shares and any other shares of Common Stock issuable pursuant to the terms of the Securities Purchase Agreement or the Warrants, (ii) the Incentive Shares issuable pursuant to the Conversion Agreement, and (iii) any shares of capital stock issued or issuable from time to time (with any adjustments) in replacement of, in exchange for or otherwise in respect of the Shares, the Warrant Shares or the Incentive Shares.

“Registration Deadline” means the earlier to occur of (i) the one hundred twentieth (120th) calendar day following the Closing Date and (ii) the tenth (10th) Business Day following the day on which the Commission informs the Company that no review of the Registration Statement will be made by the staff of the Commission or that the staff of the Commission has no further comments on the Registration Statement.

“Registration Period” has the meaning set forth in paragraph 2(c) below.

“Registration Statement” means a registration statement or statements prepared in compliance with the Securities Act and pursuant to Rule 415 under the Securities Act (“Rule 415”) or any successor rule providing for the offering of securities on a continuous or delayed basis.

Capitalized terms used herein and not otherwise defined shall have the respective meanings specified in the Securities Purchase Agreement.

2. REGISTRATION.

(a) Filing of Registration Statement. On or before the Filing Deadline (or, if the Filed S-3 Effective Date occurs prior to the Filing Deadline, then as soon as practicable after the Filed S-3 Effective Date but in no event later than the Filing Deadline), the Company shall prepare and file with the Commission a Registration Statement on Form S-3 pursuant to Rule 415 under the Securities Act covering the resale of a number of shares of Registrable Securities equal to the sum of (i) the aggregate number of Shares issued under the Securities Purchase Agreement plus (ii) the aggregate number of shares of Common Stock issuable on the Closing Date pursuant to the exercise of the Warrants (such number to be determined using the Exercise Price in effect on such date and without regard to any restriction on the ability of any Holder to exercise such Holder’s Warrant as of such date) plus (iii) the aggregate number of Incentive Shares issued under the Conversion Agreement. Such Registration Statement shall state, to the extent permitted by Rule 416 under the Securities Act, that it also covers such indeterminate number of additional shares of Common Stock as may become issuable upon the exercise of the Warrants in order to prevent dilution resulting from stock splits, stock dividends or similar events. Notwithstanding the foregoing, if the Company does not meet the eligibility requirements for filing a Registration Statement on Form S-3, then the Company shall instead prepare and file with the Commission a Registration Statement meeting the

foregoing requirements of Form S-1 or Form S-2, and in such event, the Company shall re-file such Registration Statement, or file a new Registration Statement covering at least the number of shares then registered on the existing Registration Statement (and not previously sold pursuant to the existing Registration Statement or pursuant to Rule 144 under the Securities Act (“Rule 144”), on Form S-3 as promptly as practicable (but in no event later than thirty (30) days) after the Company meets the eligibility requirements to use Form S-3 for the resale of Registrable Securities by each Investor.

(c) Effectiveness. The Company shall use its best efforts to cause the Registration Statement to become effective as soon as practicable following the filing thereof, but in no event later than the Registration Deadline. The Company shall respond promptly to any and all comments made by the staff of the Commission with respect to the Registration Statement, and shall submit to the Commission, within two (2) Business Days after the Company learns that no review of the Registration Statement will be made by the staff of the Commission or that the staff of the Commission has no further comments on the Registration Statement, as the case may be, a request for acceleration of the effectiveness of such Registration Statement to a time and date not later than two (2) Business Days after the submission of such request. The Company will maintain the effectiveness of each Registration Statement filed pursuant to this Agreement until the earlier to occur of (i) the date on which all of the Registrable Securities eligible for resale thereunder have been publicly sold pursuant to either the Registration Statement or Rule 144, (ii) the date on which all of the Registrable Securities remaining to be sold under such Registration Statement (in the reasonable opinion of counsel to the Company) may be immediately sold to the public under Rule 144(k) under the Securities Act (“Rule 144(k)”) or any successor provision, and (iii) the second anniversary of the Closing Date (the period beginning on the Closing Date and ending on the earlier to occur of (i), (ii) and (iii) above being referred to herein as the “Registration Period”).

(d) Registration Default. If (i) the Registration Statement is not filed on or before the Filing Deadline or declared effective by the Commission on or before the Registration Deadline, (ii) after the Registration Statement has been declared effective by the Commission, sales of Registrable Securities (other than such Registrable Securities as are then freely saleable pursuant to Rule 144(k)) cannot be made by a Holder under a Registration Statement for any reason not within the exclusive control of such Holder (other than during a Black-out Period (as defined below)), (iii) the Common Stock ceases to be listed on the Nasdaq National Market, the Nasdaq Small Cap Market or the New York Stock Exchange, or (iv) an amendment or supplement to a Registration Statement, or a new registration statement, required to be filed pursuant to the terms of paragraph 4(j) below is not filed on or before the date required by such paragraph (each of the foregoing clauses (i), (ii), (iii), (iv) or (v) being referred to herein as a “Registration Default”), the Company shall make cash payments to each Holder equal to one percent (1%) of the aggregate Purchase Price paid by such Holder for such Holder’s Shares and Warrant for each thirty (30) day period in which a Registration Default exists, such payment to be pro rated for any portion of any such thirty (30) day period. Each such payment required to be made under this paragraph 2(d) shall be made within five (5) Business Days following the last day of each calendar month in which a Registration Default exists. Any such payment shall be in addition to any other remedies available to each Holder at law or in equity, whether pursuant to the terms hereof, the Securities Purchase Agreement or otherwise.

(e) Allocation of Shares and Warrant Shares. The initial number of Shares and Warrant Shares included in any Registration Statement and each increase in the number thereof included therein shall be allocated *pro rata* among the Holders based on the aggregate number of Registrable Securities issued or issuable to each Holder at the time the Registration Statement covering such initial number of Registrable Securities or increase thereof is declared effective by the Commission (provided that the number of Warrant Shares issuable to a Holder shall be determined using the Exercise Price in effect at such time and without regard to any restriction on the ability of such Holder to exercise such Holder's Warrants as of such date). In the event that a Holder sells or otherwise transfers any of such Holder's Registrable Securities, each transferee shall be allocated the portion of the then remaining number of Registrable Securities included in such Registration Statement allocable to the transferor.

(f) Registration of Other Securities. During the period beginning on the date hereof and ending on the Filed S-3 Effective Date, the Company shall refrain from filing any registration statement (other than (i) a Registration Statement filed hereunder, or (ii) a registration statement on Form S-8 with respect to stock option plans and agreements and stock plans currently in effect and disclosed in the Securities Purchase Agreement or the schedules thereto). In no event shall the Company include any securities other than Registrable Securities on any Registration Statement filed by the Company on behalf of the Holders pursuant to the terms hereof.

3. PIGGYBACK REGISTRATION.

If at any time prior to the expiration of the Registration Period, (i) the Company proposes to register shares of Common Stock under the Securities Act in connection with the public offering of such shares for cash (a "Proposed Registration") other than a registration statement on Form S-8 or Form S-4 or any successor or other forms promulgated for similar purposes and (ii) a Registration Statement covering the sale of all of the Registrable Securities is not then effective and available for sales thereof by the Holders, the Company shall, at such time, promptly give each Holder written notice of such Proposed Registration. Each Holder shall have ten (10) Business Days from its receipt of such notice to deliver to the Company a written request specifying the amount of Registrable Securities that such Holder intends to sell and such Holder's intended method of distribution. Upon receipt of such request, the Company shall use its best efforts to cause all Registrable Securities which the Company has been requested to register to be registered under the Securities Act to the extent necessary to permit their sale or other disposition in accordance with the intended methods of distribution specified in the request of such Holder; *provided, however*, that the Company shall have the right to postpone or withdraw any registration effected pursuant to this Section 3 without obligation to the Holders. If, in connection with any underwritten public offering for the account of the Company or for stockholders of the Company that have contractual rights to require the Company to register shares of Common Stock, the managing underwriter(s) thereof shall impose a limitation on the number of shares of Common Stock which may be included in a registration statement because, in the judgment of such underwriter(s), marketing or other factors dictate such limitation is necessary to facilitate such offering, then the Company shall be obligated to include in the registration statement only such limited portion of the Registrable Securities with respect to which each Holder has requested inclusion hereunder as such underwriter(s) shall permit. Any exclusion of Registrable Securities shall be made *pro rata* among the Holders seeking to include Registrable Securities in a registration statement, in proportion to the number of Registrable Securities sought to be included by such Holders; *provided, however*, that the Company shall not

exclude any Registrable Securities unless the Company has first excluded all outstanding securities, the holders of which are not entitled to inclusion of such securities in the registration statement or are not entitled to *pro rata* inclusion with the Registrable Securities; and *provided, further*, that, after giving effect to the immediately preceding proviso, any exclusion of Registrable Securities shall be made *pro rata* with holders of other securities having the right to include such securities in the registration statement.

4. OBLIGATIONS OF THE COMPANY.

In addition to performing its obligations hereunder, including without limitation those pursuant to Sections 2 and 3 above, the Company shall, with respect to each Registration Statement:

- (a) prepare and file with the Commission such amendments and supplements to such Registration Statement and the prospectus used in connection with such Registration Statement as may be necessary to comply with the provisions of the Securities Act or to maintain the effectiveness of such Registration Statement during the Registration Period, or as may be reasonably requested by a Holder in order to incorporate information concerning such Holder or such Holder's intended method of distribution;
- (b) promptly following the Closing, use its best efforts to secure the listing on the Nasdaq National Market of the Shares and all Registrable Securities issuable upon exercise of the Warrants, and provide each Holder with reasonable evidence thereof;
- (c) so long as a Registration Statement is effective covering the resale of the applicable Registrable Securities owned by a Holder, furnish to each Holder such number of copies of the prospectus included in such Registration Statement, including a preliminary prospectus, in conformity with the requirements of the Securities Act, and such other documents as such Holder may reasonably request in order to facilitate the disposition of such Holder's Registrable Securities;
- (d) use commercially reasonable efforts to register or qualify the Registrable Securities under the securities or "blue sky" laws of such jurisdictions within the United States as shall be reasonably requested from time to time by a Holder, and do any and all other acts or things which may reasonably be necessary or advisable to enable such Holder to consummate the public sale or other disposition of the Registrable Securities in such jurisdictions; *provided* that the Company shall not be required in connection therewith or as a condition thereto to qualify to do business or to file a general consent to service of process in any such jurisdiction;
- (e) notify each Holder immediately after becoming aware of the occurrence of any event (but shall not, without the prior written consent of such Holder, disclose to such Holder any facts or circumstances constituting material non-public information) as a result of which the prospectus included in such Registration Statement, as then in effect, contains an untrue statement of material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing, and as promptly as practicable prepare and file with the Commission and furnish to each Holder a reasonable number of copies of a supplement or an amendment to such prospectus as may be necessary so that such prospectus does not contain an untrue statement of material fact or omit to state a material fact

required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing;

(f) use commercially reasonable efforts to prevent the issuance of any stop order or other order suspending the effectiveness of such Registration Statement and, if such an order is issued, to use commercially reasonable efforts to obtain the withdrawal thereof at the earliest possible time and to notify each Holder in writing of the issuance of such order and the resolution thereof;

(g) furnish to each Holder, on the date that such Registration Statement, or any successor registration statement, becomes effective, a letter, dated such date, signed by an officer of the Company or of outside counsel to the Company (and reasonably acceptable to such Holder) addressed to such Holder, confirming such effectiveness and, to the knowledge of such officer or counsel, the absence of any stop order;

(h) provide to each Holder and its representatives the reasonable opportunity to conduct, subject to confidentiality agreements reasonably acceptable to the Company, a reasonable inquiry of the Company's financial and other records during normal business hours and make available during normal business hours and with reasonable advance notice its officers, directors and employees for questions regarding information which such Holder may reasonably request in order to fulfill any due diligence obligation on its part;

(i) permit counsel for each Holder to review such Registration Statement and all amendments and supplements thereto, and any comments made by the staff of the Commission concerning such Holder and/or the transactions contemplated by the Transaction Documents and the Company's responses thereto, within a reasonable period of time prior to the filing thereof with the Commission (or, in the case of comments made by the staff of the Commission, within a reasonable period of time following the receipt thereof by the Company); and

(j) in the event that, at any time, the number of shares available under the Registration Statement is insufficient to cover the sum of (i) the aggregate number of Shares and Incentive Shares plus (ii) the aggregate number of Warrant Shares that are Registrable Securities then outstanding or issuable under the Warrants (such number to be determined using the Exercise Price in effect at such time and without regard to any restriction on the ability of any Holder to exercise such Holder's Warrant), the Company shall promptly amend such Registration Statement or file a new registration statement, in any event as soon as practicable, but not later than the tenth (10th) day following notice from a Holder of the occurrence of such event, so that such Registration Statement or such new registration statement, or both, covers no less than the sum of (i) the aggregate number of Shares and Incentive Shares plus (ii) the aggregate number of the Warrant Shares that are Registrable Securities eligible for resale thereunder. The Company shall use its best efforts to cause such amendment and/or new Registration Statement to become effective as soon as practicable following the filing thereof. Any Registration Statement filed pursuant to this paragraph 4(j) shall state that, to the extent permitted by Rule 416 under the Securities Act, such Registration Statement also covers such indeterminate number of additional shares of Common Stock as may become issuable upon exercise of the Warrants in order to prevent dilution resulting from stock

splits, stock dividends or similar events. Unless and until such amendment or new Registration Statement becomes effective, each Holder shall have the rights described in paragraph 2(d) above.

5. PERMITTED SUSPENSION.

(a) Black-Out Period. Notwithstanding the Company's obligations under this Agreement, if in the good faith judgment of the Company, following consultation with legal counsel, it would be detrimental to the Company or its stockholders for resales of Registrable Securities to be made pursuant to the Registration Statement due to the existence of a material development involving the Company which the Company would be obligated to disclose in the Registration Statement, which disclosure would be premature or otherwise inadvisable at such time or would have a Material Adverse Effect upon the Company and its stockholders, the Company shall have the right to suspend the use of the Registration Statement for a period of not more than thirty (30) days (the "Black-out Period"); *provided, however*, that the Company may so defer or suspend the use of the Registration Statement for no more than thirty (30) days in any twelve-month period and not within 30 days of the end of any prior Black-out Period.

(b) Suspension. Notwithstanding anything to the contrary contained herein or in the Securities Purchase Agreement, if the use of the Registration Statement is suspended by the Company, the Company shall promptly give written notice of the suspension to the Investors and shall promptly notify the Investors in writing as soon as the use of the Registration Statement may be resumed.

6. OBLIGATIONS OF EACH HOLDER.

In connection with the registration of Registrable Securities pursuant to a Registration Statement, and as a condition to the Company's obligations under Section 2 hereof, each Holder shall:

(a) timely furnish to the Company in writing (i) a completed Shareholder Questionnaire and (ii) such information in writing regarding itself and the intended method of disposition of such Registrable Securities as the Company shall reasonably request in order to effect the registration thereof;

(b) upon receipt of any notice from the Company of the happening of any event of the kind described in paragraphs 4(e) or 4(f) or of the commencement of a Black-out Period, immediately discontinue any sale or other disposition of such Registrable Securities pursuant to such Registration Statement until the filing of an amendment or supplement as described in paragraph 4(e) or withdrawal of the stop order referred to in paragraph 4(f), or the termination of the Black-out Period, as the case may be, and use commercially reasonable efforts to maintain the confidentiality of such notice and its contents;

(c) to the extent required by applicable law, deliver a prospectus to the purchaser of such Registrable Securities;

(d) notify the Company when it has sold all of the Registrable Securities held by it; and

(e) notify the Company in the event that any information supplied by such Holder in writing for inclusion in such Registration Statement or related prospectus is untrue or omits to state a material fact required to be stated therein or necessary to make such information not misleading in light of the circumstances then existing; immediately discontinue any sale or other disposition of such Registrable Securities pursuant to such Registration Statement until the filing of an amendment or supplement to such prospectus as may be necessary so that such prospectus does not contain an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading in light of the circumstances then existing; and use commercially reasonable efforts to assist the Company as may be appropriate to make such amendment or supplement effective for such purpose.

7. INDEMNIFICATION.

In the event that any Registrable Securities are included in a Registration Statement under this Agreement:

(a) To the extent permitted by law, the Company shall indemnify and hold harmless each Holder, the officers, directors, employees, agents and representatives of such Holder, and each person, if any, who controls such Holder within the meaning of the Securities Act or the Securities Exchange Act of 1934, as amended (the "Exchange Act"), against any losses, claims, damages, liabilities or reasonable out-of-pocket expenses (whether joint or several) (collectively, including reasonable legal expenses or other expenses reasonably incurred in connection with investigating or defending same, "Losses"), insofar as any such Losses arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained in such Registration Statement under which such Registrable Securities were registered, including any preliminary prospectus or final prospectus contained therein or any amendments or supplements thereto, or (ii) the omission or alleged omission to state therein a material fact required to be stated therein, or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. Subject to the provisions of paragraph 7(c) below, the Company will reimburse such Holder, and each such officer, director, employee, agent, representative or controlling person, for any reasonable legal expenses or other out-of-pocket expenses as reasonably incurred by any such entity or person in connection with investigating or defending any Loss; *provided, however*, that the foregoing indemnity shall not apply to amounts paid in settlement of any Loss if such settlement is effected without the consent of the Company (which consent shall not be unreasonably withheld), nor shall the Company be obligated to indemnify any person for any Loss to the extent that such Loss is (i) based upon and is in conformity with written information furnished by such person expressly for use in such Registration Statement or (ii) based on a failure of such person to deliver or cause to be delivered the final prospectus contained in the Registration Statement and made available by the Company, if such delivery is required by applicable law. The Company shall not enter into any settlement of a Loss that does not provide for the unconditional release of such Holder from all liabilities and obligations relating to such Loss.

(b) To the extent permitted by law, each Holder who is named in such Registration Statement as a selling stockholder, acting severally and not jointly, shall indemnify and

hold harmless the Company, the officers, directors, employees, agents and representatives of the Company, and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act, against any Losses to the extent (and only to the extent) that any such Losses are based upon and in conformity with written information furnished by such Holder expressly for use in such Registration Statement. Subject to the provisions of paragraph 7(c) below, such Holder will reimburse any legal or other expenses as reasonably incurred by the Company and any such officer, director, employee, agent, representative, or controlling person, in connection with investigating or defending any such Loss; *provided, however*, that the foregoing indemnity shall not apply to amounts paid in settlement of any such Loss if such settlement is effected without the consent of such Holder (which consent shall not be unreasonably withheld); and *provided, further*, that, in no event shall any indemnity under this paragraph 7(b) exceed the net proceeds resulting from the sale of the Registrable Securities sold by such Holder under such Registration Statement.

(c) Promptly after receipt by an indemnified party under this Section 7 of notice of the commencement of any action (including any governmental action), such indemnified party will, if a claim in respect thereof is to be made against any indemnifying party under this Section 7, promptly deliver to the indemnifying party a written notice of the commencement thereof and the indemnifying party shall have the right to participate in and to assume the defense thereof with counsel selected by the indemnifying party and reasonably acceptable to the indemnified party; *provided, however*, that an indemnified party shall have the right to retain its own counsel, with the reasonably incurred fees and expenses of one such counsel for all indemnified parties to be paid by the indemnifying party, if representation of such indemnified party by the counsel retained by the indemnifying party would be inappropriate under applicable standards of professional conduct due to actual or potential conflicting interests between such indemnified party and any other party represented by such counsel in such proceeding. The failure to deliver written notice to the indemnifying party within a reasonable time of the commencement of any such action, to the extent prejudicial to its ability to defend such action, shall relieve such indemnifying party of any liability to the indemnified party under this Section 7 with respect to such action, but the omission so to deliver written notice to the indemnifying party will not relieve it of any liability that it may have to any indemnified party otherwise than under this Section 7 or with respect to any other action unless the indemnifying party is materially prejudiced as a result of not receiving such notice.

(d) In the event that the indemnity provided in paragraph (a) or (b) of this Section 7 is unavailable or insufficient to hold harmless an indemnified party for any reason, the Company and each Holder agree, severally and not jointly, to contribute to the aggregate Losses to which the Company or such Holder may be subject in such proportion as is appropriate to reflect the relative fault of the Company and such Holder in connection with the statements or omissions which resulted in such Losses; *provided, however*, that in no case shall such Holder be responsible for any amount in excess of the net proceeds resulting from the sale of the Registrable Securities sold by it under the Registration Statement. Relative fault shall be determined by reference to whether any alleged untrue statement or omission relates to information provided by the Company or by such Holder. The Company and each Holder agree that it would not be just and equitable if contribution were determined by *pro rata* allocation or any other method of allocation which does not take account of the equitable considerations referred to above. Notwithstanding the provisions of this paragraph (d), no person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who is not guilty of such

fraudulent misrepresentation. For purposes of this Section 7, each person who controls a Holder within the meaning of either the Securities Act or the Exchange Act and each officer, director, employee, agent or representative of such Holder shall have the same rights to contribution as such Holder, and each person who controls the Company within the meaning of either the Securities Act or the Exchange Act and each officer, director, employee, agent or representative of the Company shall have the same rights to contribution as the Company, subject in each case to the applicable terms and conditions of this paragraph (d).

(e) The obligations of the Company and each Holder under this Section 7 shall survive the exercise of the Warrants in full, the completion of any offering or sale of Registrable Securities pursuant to a Registration Statement under this Agreement, or otherwise.

8. REPORTS.

With a view to making available to each Holder the benefits of Rule 144 and any other similar rule or regulation of the Commission that may at any time permit such Holder to sell securities of the Company to the public without registration, the Company agrees (until all of the Registrable Securities have been sold under a Registration Statement or pursuant to Rule 144) to:

(a) make and keep public information available, as those terms are understood and defined in Rule 144;

(b) file with the Commission in a timely manner all reports and other documents required of the Company under the Securities Act and the Exchange Act; and

(c) furnish to such Holder, so long as such Holder owns any Registrable Securities, promptly upon written request (i) a written statement by the Company, if true, that it has complied with the reporting requirements of Rule 144, the Securities Act and the Exchange Act, (ii) to the extent not publicly available through the Commission's EDGAR database, a copy of the most recent annual or quarterly report of the Company and such other reports and documents so filed by the Company with the Commission, and (iii) such other information as may be reasonably requested by such Holder in connection with such Holder's compliance with any rule or regulation of the Commission which permits the selling of any such securities without registration.

9. MISCELLANEOUS.

(a) Expenses of Registration. Except as otherwise provided in the Securities Purchase Agreement, all reasonable expenses, other than underwriting discounts and commissions and fees and expenses of counsel and other advisors to each Holder, incurred in connection with the registrations, filings or qualifications described herein, including (without limitation) all registration, filing and qualification fees, printers' and accounting fees, the fees and disbursements of counsel for the Company, and the fees and disbursements incurred in connection with the opinion and letter described in paragraph 4(g) hereof, shall be borne by the Company.

(b) Amendment; Waiver. Except as expressly provided herein, neither this Agreement nor any term hereof may be amended or waived except pursuant to a written instrument executed by the Company and the Holders of a majority of the Registrable Securities that are either then outstanding or are issuable on exercise of the Warrants then outstanding (without regard to any limitation on such exercise). Any amendment or waiver effected in accordance with this paragraph shall be binding upon each Holder, each future Holder and the Company. The failure of any party to exercise any right or remedy under this Agreement or otherwise, or the delay by any party in exercising such right or remedy, shall not operate as a waiver thereof.

(c) Notices. Any notice, demand or request required or permitted to be given by the Company or a Holder pursuant to the terms of this Agreement shall be in writing and shall be deemed delivered (i) when delivered personally or by verifiable facsimile transmission, unless such delivery is made on a day that is not a Business Day, in which case such delivery will be deemed to be made on the next succeeding Business Day, (ii) on the next Business Day after timely delivery to a reputable overnight courier and (iii) on the Business Day actually received if deposited in the U.S. mail (certified or registered mail, return receipt requested, postage prepaid), addressed as follows:

Such Investor is duly and validly organized, validly existing and in good standing under the laws of the jurisdiction of its incorporation or organization as set forth below such Investor's name on the signature page hereof with the requisite corporate power and authority to purchase the Shares and Warrant to be purchased by it hereunder and to execute and deliver this Agreement and the other Transaction Documents to which it is a party. This Agreement constitutes, and upon execution and delivery thereof, each other Transaction Document to which such Investor is a party will constitute, such Investor's valid and legally binding obligation, enforceable in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium or other similar laws of general application relating to or affecting the enforcement of creditors' rights generally and (ii) general principles of equity.

2.2 Accredited Investor. Such Investor (i) is an "accredited investor" as that term is defined in Rule 501 of Regulation D, (ii) is acquiring the Securities in the ordinary course of its business, solely for its own account, and not with a view to the public resale or distribution of all or any part thereof, except pursuant to sales that are registered under the Securities Act or are exempt from the registration requirements of, the Securities Act and does not have any agreement or understanding with any person to distribute any of the Securities; *provided, however*, that, in making such representation, such Investor does not agree to hold the Securities for any minimum or specific term and reserves the right to sell, transfer or otherwise dispose of the Securities at any time in accordance with the provisions of this Agreement and with Federal and state securities laws applicable to such sale, transfer or disposition.

2.3 Information. The Company has, prior to the Execution Date, provided such Investor with information regarding the business, operations and financial condition of the Company and has, prior to the Execution Date, granted to such Investor the opportunity to ask questions of and receive satisfactory answers from representatives of the Company, its officers, directors, employees and agents concerning the Company and materials relating to the terms and conditions of the purchase and sale of the Securities hereunder, as such Investor deems relevant in making an informed decision with respect to its investment in the Securities. Such Investor is able to bear the economic risk of an investment in the Securities and, at the present time, is able to afford a complete loss of such investment. Neither such information nor any other investigation conducted by such Investor or any of its representatives shall modify, amend or otherwise affect such Investor's right to rely on the Company's representations and warranties contained in this Agreement.

2.4 Limitations on Disposition. Such Investor acknowledges that, except as provided in the Registration Rights Agreement, the Securities have not been and are not being registered under the Securities Act and may not be transferred or resold without registration under the Securities Act or unless pursuant to an exemption therefrom.

2.5 Legend. Such Investor understands that the certificates representing the Securities may bear at issuance a restrictive legend in substantially the following form:

“The securities represented by this certificate have not been registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any state, and may not be offered, transferred, pledged, hypothecated, sold or otherwise disposed of unless a registration statement under the Securities Act and applicable state securities laws shall have become effective with regard thereto, or an exemption from registration under the Securities Act and applicable state securities laws is available in connection with such offer or sale.”

Notwithstanding the foregoing, it is agreed that, as long as (A) the resale or transfer (including without limitation a pledge) of any of the Securities is registered pursuant to an effective registration statement and the holder represents in writing to the Company that such Securities have been or will be sold pursuant to such registration statement, (B) such Securities have been sold pursuant to Rule 144, subject to receipt by the Company of customary documentation in connection therewith, or (C) such Securities are eligible for resale under Rule 144(k) or any successor provision and the holder thereof represents in writing to the Company that it is eligible to use such rule for public resales of such Securities, the certificates representing such Securities shall be issued without any legend or other restrictive language and, with respect to Securities upon which such legend is stamped, the Company shall issue new certificates without such legend to the holder upon request.

2.6 Reliance on Exemptions. Such Investor understands that the Securities are being offered and sold to it in reliance upon specific exemptions from the registration requirements of U.S. federal and state securities laws and that the Company is relying upon the truth and accuracy of the representations and warranties of such Investor set forth in this Section 2 in order to determine the availability of such exemptions and the eligibility of such Investor to acquire the Securities.

2.7 Non-Affiliate Status; Common Stock Ownership. Such Investor is not an Affiliate of the Company or of any other Investor and is not acting in association or concert with any other Person in regard to its purchase of the Securities or otherwise in respect of the Company. Such Investor’s investment in the Securities is not for the purpose of acquiring, directly or indirectly, control of, and it has no intent to acquire or exercise control of, the Company or to influence the decisions or policies of the Board of Directors.

3. REPRESENTATIONS AND WARRANTIES OF THE COMPANY. The Company hereby represents and warrants to each Investor that, except as expressly set forth on the disclosure schedules to this Agreement, as of the Execution Date and as of the Closing Date:

The Company does not have any Subsidiaries.

3.2 Authorization; Consents. The Company has the requisite corporate power and authority to enter into and perform its obligations under the Transaction Documents, including, without limitation, its obligations to issue and sell the Securities to the Investors in accordance with the terms

hereof and thereof, and to issue the Warrant Shares upon exercise of the Warrants. All corporate action on the part of the Company by its officers, directors and stockholders necessary for the authorization, execution and delivery of, and the performance by the Company of its obligations under, the Transaction Documents has been taken, and no further consent or authorization of the Company, its Board of Directors, stockholders, any Governmental Authority or organization (other than such approval as may be required under the Securities Act and applicable state securities laws in respect of the Registration Rights Agreement), or any other person or entity is required (pursuant to any rule of the NASD or otherwise).

3.3 Due Execution; Enforceability. This Agreement has been and, at or prior to the Closing, each other Transaction Document to be delivered at the Closing will be, duly executed and delivered by the Company. This Agreement constitutes and, upon the execution and delivery thereof by the Company, each other Transaction Document will constitute the valid and legally binding obligation of the Company, enforceable against it in accordance with its terms, subject to (i) applicable bankruptcy, insolvency, fraudulent transfer, moratorium, reorganization or other similar laws of general application relating to or affecting the enforcement of creditors' rights generally and (ii) general principles of equity.

3.4 Disclosure Documents; Agreements; Financial Statements; Other Information. The Company is subject to the reporting requirements of the Exchange Act and has filed with the Commission all reports, schedules, registration statements and definitive proxy statements that the Company was required to file with the Commission on or after December 31, 2004 (collectively, the "SEC Documents"). The Company is not aware of any event occurring or expected to occur on or prior to the Closing Date (other than the transactions effected hereby and quarterly releases of financial results) that would require the filing of, or with respect to which the Company intends to file, a Form 8-K after the Closing. Each SEC Document, as of the date of the filing thereof with the Commission (or if amended or superseded by a filing prior to the Execution Date, then on the date of such amending or superseding filing), complied in all material respects with the requirements of the Securities Act or Exchange Act, as applicable, and the rules and regulations promulgated thereunder and, as of the date of such filing (or if amended or superseded by a filing prior to the Execution Date, then on the date of such filing), such SEC Document (including all exhibits and schedules thereto and documents incorporated by reference therein) did not contain an untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. All documents required to be filed as exhibits to the SEC Documents have been filed as required. Except as set forth in the Disclosure Documents, the Company has no liabilities, contingent or otherwise, other than liabilities incurred in the ordinary course of business which, under GAAP, are not required to be reflected in the financial statements included in the Disclosure Documents and which, individually or in the aggregate, are not material to the business or financial condition of the Company. As of their respective dates, the financial statements of the Company included in the SEC Documents have been prepared in accordance with GAAP (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may exclude footnotes or may be condensed or summary statements) and fairly present in all material respects the financial position of the Company as of the dates thereof and the results of its operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end adjustments).

3.5 **Capitalization: Debt Schedule.** The capitalization of the Company as of the date hereof, including its authorized capital stock, the number of shares issued and outstanding, the number of shares issuable and reserved for issuance pursuant to the Company's stock option plans and agreements, the number of shares issuable and reserved for issuance pursuant to securities (other than the Warrants) exercisable for, or convertible into or exchangeable for any shares of Common Stock and the number of shares initially to be reserved for issuance upon exercise of the Warrants, is set forth on Schedule 3.5 hereto. All issued and outstanding shares of capital stock of the Company have been, or upon issuance will be, validly issued, fully paid and non-assessable. No shares of the capital stock of the Company were issued in violation of preemptive rights or any other similar rights of security holders of the Company or any Liens created by or through the Company. Except as disclosed on Schedule 3.5 or as contemplated herein, there are no outstanding preemptive rights, rights of first refusal, shareholder rights, options, warrants, scrip, rights to subscribe to, calls or commitments of any character whatsoever relating to, or securities or rights convertible into or exercisable or exchangeable for, any shares of capital stock of the Company, or arrangements by which the Company is or may become (as a result of the transactions contemplated hereby or the other Transaction Documents or otherwise) bound to issue additional shares of capital stock of the Company (whether pursuant to anti-dilution, "reset" or other similar provisions). Except as described on Schedule 3.5 hereto, the Company has no material Debt outstanding as of the date hereof. Except as described on Schedule 3.5 hereto, the Company's shares of the capital stock of Lumera Corporation are held by the Company free and clear of all Liens.

3.6 **Due Authorization: Valid Issuance.** The Shares and Warrants are duly authorized and, when issued, sold and delivered in accordance with the terms hereof, (i) the Shares and Warrants will be duly and validly issued, and the Shares will be fully paid and nonassessable; in each case, free and clear of any Liens imposed by or through the Company, and (ii) assuming the accuracy of each Investor's representations in this Agreement, the Shares and Warrants will be issued, sold and delivered in compliance with all applicable Federal and state securities laws. The Warrant Shares are duly authorized and reserved for issuance and, when issued in accordance with the terms of the Warrants, will be duly and validly issued, fully paid and nonassessable, free and clear of any Liens imposed by or through the Company and, assuming the accuracy of each Investor's representations in this Agreement at the time of exercise, will be issued, sold and delivered in compliance with all applicable Federal and state securities laws.

3.7 **No Conflict with Other Instruments.** The Company is not in violation of any provisions of its charter, bylaws or any other governing document or in default (and no event has occurred which, with notice or lapse of time or both, would constitute a default) under any provision of any instrument or contract to which it is a party or by which it or any of its Property is bound, or in violation of any provision of any Governmental Requirement applicable to it, except for any violation or default under any such instrument or contract or any violation of any provision of a Governmental Requirement that, in either such case, has not had or would not reasonably be expected to have a Material Adverse Effect (any such violation or default being referred to herein as a "Current Violation"). The (i) execution, delivery and performance of this Agreement and the other Transaction Documents, and (ii) consummation of the transactions contemplated hereby and thereby (including without limitation, the issuance of the Shares and the Warrants and the reservation for issuance and issuance of the Warrant Shares) will not result in any violation of any provisions of the Company's charter, Bylaws or any other

governing document or in a default under any provision of any instrument or contract to which it is a party or by which it or any of its Property is bound, or in violation of any provision of any Governmental Requirement applicable to the Company or be in conflict with or constitute, with or without the passage of time and giving of notice, either a default under any such provision, instrument or contract or an event which results in the creation of any Lien upon any assets of the Company.

3.8 Financial Condition; Taxes; Litigation.

3.8.1 The Company's financial condition is, in all material respects, as described in the Disclosure Documents, except for changes in the ordinary course of business and normal year-end adjustments that are not, in the aggregate, materially adverse to the business or financial condition of the Company. There has been no (i) material adverse change to the Company's business, operations, properties, financial condition, or results of operations since the date of the Company's most recent audited financial statements contained in the Disclosure Documents or (ii) change by the Company in its accounting principles, policies and methods except as required by changes in GAAP or applicable law.

3.8.2 The Company (i) has prepared in good faith and duly and timely filed all tax returns required to be filed by it and such returns are complete and accurate in all material respects and (ii) has paid all taxes required to have been paid by it, except for taxes which it reasonably disputes in good faith or the failure of which to pay has not had or would not reasonably be expected to have a Material Adverse Effect, and has no liability with respect to accrued taxes in excess of the amounts that are described as accrued in the most recent financial statements included in the Disclosure Documents.

3.8.3 Except as described in Schedule 3.8.3, the Company is not the subject of any pending or, to the Company's knowledge, threatened inquiry, investigation or administrative or legal proceeding by the Internal Revenue Service, the taxing authorities of any state or local jurisdiction (other than with respect to taxes which it reasonably disputes in good faith or the failure of which to pay has not had or would not reasonably be expected to have a Material Adverse Effect), the Commission, the NASD, any state securities commission or other Governmental Authority.

3.8.4 Except as described in Schedule 3.8.4, there is no material claim, litigation or administrative proceeding pending or, to the Company's knowledge, threatened or contemplated, against the Company or, to the Company's knowledge, against any officer, director or employee of the Company in connection with such person's employment therewith. The Company is not a party to or subject to the provisions of, any order, writ, injunction, judgment or decree of any court or Governmental Authority which has had or would reasonably be expected to have a Material Adverse Effect.

3.9 Form S-3. The Company is eligible to register the Registrable Securities for resale by each Investor on a registration statement on Form S-3 under the Securities Act. To the Company's knowledge, there exist no facts or circumstances (including without limitation any required approvals or waivers of any circumstances that may delay or prevent the obtaining of accountant's consents) that could reasonably be expected to prohibit or delay the preparation, filing or effectiveness of such registration statement.

3.10 Acknowledgement of Dilution. The Company acknowledges that the issuance of Warrant Shares upon exercise of the Warrants may result in dilution of the outstanding shares of Common Stock, which dilution may be substantial under certain market conditions. The Company further acknowledges that its obligation to issue Warrant Shares upon exercise of the Warrants in accordance with the terms of the Warrants, is unconditional (other than with respect to the conditions set forth in the Warrants) regardless of the effect of any such dilution.

3.11 Intellectual Property. Except as set forth in Schedule 3.11:

(a) The Company owns, free and clear of claims or rights or any other Person, with full right to use, sell, license, sublicense, dispose of, and bring actions for infringement of, or, to the knowledge of the Company, has acquired licenses or other rights to use, all Intellectual Property necessary for the conduct of its business as presently conducted (other than with respect to software which is generally commercially available and not used or incorporated into the Company's products and open source software which may be subject to one or more "general public" licenses). All works that are used or incorporated into the Company's services, products or services or products actively under development and which is proprietary to the Company was developed by or for the Company by the current or former employees, consultants or independent contractors of the Company or its predecessors in interest or purchased or licensed by the Company or its predecessors in interest.

(b) The business of the Company as presently conducted and the production, marketing, licensing, use and servicing of any products or services of the Company do not, to the knowledge of the Company, infringe or conflict with any patent, trademark, copyright, or trade secret rights of any third parties or any other Intellectual Property of any third parties in any material respect. The Company has not received written notice from any third party asserting that any Intellectual Property owned or licensed by the Company, or which the Company otherwise has the right to use, is invalid or unenforceable by the Company and, to the Company's knowledge, there is no valid basis for any such claim (whether or not pending or threatened).

(c) No claim is pending or, to the Company's knowledge, threatened against the Company nor has the Company received any written notice or other written claim from any Person asserting that any of the Company's present or contemplated activities infringe or may infringe in any material respect any Intellectual Property of such Person and the Company is not aware of any infringement by any other Person of any material rights of the Company under any Intellectual Property Rights.

(d) All licenses or other agreements under which the Company is granted Intellectual Property (excluding licenses to use software utilized in the Company's internal operations and which is generally commercially available) are in full force and effect and, to the Company's knowledge, there is no material default by any party thereto. The Company has no reason to believe that the licensors under such licenses and other agreements do not have and did not have all requisite power and authority to grant the rights to the Intellectual Property purported to be granted thereby.

(e) All licenses or other agreements under which the Company has granted rights to Intellectual Property to others (including all end-user agreements) since January 1, 2003, are in full force and effect, unless otherwise terminated in accordance with the terms of such licenses or

arrangements, there has been no material default by the Company thereunder and, to the Company's knowledge, there is no material default by any other party thereto.

(f) The Company has taken all steps required in accordance with commercially reasonable business practice to establish and preserve its ownership in its owned Intellectual Property and to keep confidential all material technical information developed by or belonging to the Company which has not been patented or copyrighted. To the Company's knowledge, the Company is not making any material unlawful use of any Intellectual Property of any other Person, including, without limitation, any former employer of any past or present employees of the Company. To the Company's knowledge, neither the Company nor any of its employees has any agreements or arrangements with former employers of such employees relating to any Intellectual Property of such employers, which materially interfere or conflict with the performance of such employee's duties for the Company or result in any former employers of such employees having any rights in, or claims on, the Company's Intellectual Property. Except as set forth on Schedule 3.11(f)(i), each current and former employee of the Company has executed agreements regarding confidentiality, proprietary information and assignment of inventions and copyrights to the Company, each independent contractor or consultant of the Company has executed agreements regarding confidentiality and proprietary information, and the Company has not received written notice that any employee, consultant or independent contractor is in violation of any agreement or in breach of any agreement or arrangement with former or present employers relating to proprietary information or assignment of inventions. Without limiting the foregoing: (i) the Company has taken reasonable security measures to guard against unauthorized disclosure or use of any of its Intellectual Property; and (ii) the Company has no reason to believe that any Person (including, without limitation, any former employee or consultant of the Company) has unauthorized possession of any of its Intellectual Property, or any part thereof, or that any Person has obtained unauthorized access to any of its Intellectual Property. The Company is in compliance in all material respects with its obligations pursuant to all agreements relating to Intellectual Property rights that are the subject of licenses granted by third parties, except for any non-compliance that has not had or would not reasonably be expected to have a Material Adverse Effect.

3.12 Registration Rights; Rights of Participation. Except as described on Schedule 3.12 hereto, the Company has not granted or agreed to grant to any person or entity any rights (including "piggy-back" registration rights) to have any securities of the Company registered with the Commission or any other governmental authority which has not been satisfied in full prior or waived to the date hereof.

3.13 Fees. Except as contemplated by Section 6.11 hereof and as set forth on Schedule 3.13 or disclosed in writing to the Investor by the Company, the Company is not obligated to pay any compensation or other fee, cost or related expenditure to any underwriter, broker, agent or other representative in connection with the transactions contemplated hereby. The Company will indemnify and hold harmless each Investor from and against any claim by any person or entity alleging that, as a result of any agreement or arrangement between such Person and the Company, such Investor is obligated to pay any such compensation, fee, cost or related expenditure in connection with the transactions contemplated hereby or the other Transaction Documents.

3.14 Solicitation; Other Issuances of Securities. Neither the Company nor any of its Subsidiaries or Affiliates, nor any person acting on its or their behalf, (i) has engaged in any form of

general solicitation or general advertising (within the meaning of Regulation D) in connection with the offer or sale of the Securities, or (ii) has, directly or indirectly, made any offers or sales of any security or the right to purchase any security, or solicited any offers to buy any security or any such right, under circumstances that would require registration of the Securities under the Securities Act.

3.15 Foreign Corrupt Practices. Neither the Company, nor to the Company's knowledge any director, officer, agent, employee or other person acting on behalf of the Company, has (i) used any corporate funds for any unlawful contribution, gift, entertainment or other unlawful expenses relating to political activity, (ii) made any direct or indirect unlawful payment to any foreign or domestic government official or employee (including without limitation any bribe, rebate, payoff, influence payment, kickback or other unlawful payment), or (iii) violated any provision of the Foreign Corrupt Practices Act of 1977, as amended.

3.16 Key Employees. Each of the Company's executive officers (as defined in Rule 501(f) of the Securities Act) (each, a "Key Employee") is currently serving in the capacity described in the Disclosure Documents. The Company has no knowledge of any fact or circumstance (including without limitation (i) the terms of any agreement to which such person is a party or any litigation in which such person is or may become involved and (ii) any illness or medical condition that could reasonably be expected to result in the disability or incapacity of such person) that would limit or prevent any such person from serving in such capacity on a full-time basis in the foreseeable future, or of any intention on the part of any such person to limit or terminate his or her employment with the Company.

3.17 Employee Matters. There is no strike, labor dispute or union organization activities pending or, to the knowledge of the Company, threatened between it and its employees. No employees of the Company belong to any union or collective bargaining unit. The Company has complied in all material respects with all applicable federal and state equal opportunity and other laws related to employment.

3.18 Environment. To the Company's knowledge, the Company does not have any current liability under any Environmental Law, nor, to the knowledge of the Company, do any factors exist that are reasonably likely to give rise to any such liability that, individually or in the aggregate, has had or would reasonably be expected to have a Material Adverse Effect. To the Company's knowledge, the Company has not violated any Environmental Law applicable to it now or previously in effect, other than such violations or infringements that, individually or in the aggregate, have not had and would not reasonably be expected to have a Material Adverse Effect.

3.19 ERISA. Except as described on Schedule 3.19, the Company does not maintain or contribute to, or have any obligation under, any Pension Plan. The Company is in compliance in all material respects with the presently applicable provisions of ERISA and the United States Internal Revenue Code of 1986, as amended, with respect to each Pension Plan except in any such case for any such matters that, individually or in the aggregate, have not had, and would not reasonably be expected to have, a Material Adverse Effect.

3.20 Insurance. The Company maintains insurance in such amounts and covering such losses and risks as the Company believes to be reasonably prudent in relation to the businesses in which the Company is engaged. No notice of cancellation has been received for any of such policies

and the Company reasonably believes that is in compliance with all of the terms and conditions thereof. The Company has no reason to believe that it will not be able to renew any existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue doing business as currently conducted without a significant increase in cost, other than normal increases in the industry. Without limiting the generality of the foregoing, the Company maintains Director's and Officer's insurance in an amount deemed to be reasonable and appropriate by the Company's Board of Directors.

3.21 Property. The Company does not own any real property. The Company has good and marketable title to all personal Property owned by it which, in each such case free and clear of all Liens except for Permitted Liens and except for such Liens which, individually and together with all other Liens (including without limitation Permitted Liens) do not have, and cannot reasonably be expected to have, a Material Adverse Effect. 3.22 Regulatory Permits. The Company possesses all material certificates, authorizations and permits issued by the appropriate federal, state or foreign regulatory authorities necessary to conduct its businesses other than where the failure to possess such certificates, authorizations or permits, individually or in the aggregate, has not had and would not reasonably be expected to have a Material Adverse Effect. The Company has not received any notice or otherwise become aware of any proceedings, inquiries or investigations relating to the revocation or modification of any such certificate, authorization or permit.

The Company's Common Stock is registered pursuant to Section 12(g) of the Exchange Act and is listed on the Nasdaq National Market. The Company currently meets the continuing eligibility requirements for listing on the Nasdaq National Market and has not received any notice from such market or the NASD that it does not currently satisfy such requirements or that such continued listing is in any way threatened. The Company has taken no action designed to, or which, to the knowledge of the Company, would reasonably be expected to have the effect of, terminating the registration of the Common Stock under the Exchange Act or delisting the Common Stock from the Nasdaq National Market.

3.24 Investment Company Status. The Company is not, and immediately after receipt of payment for the Shares and the Warrants issued under this Agreement will not be, an "investment company" or an entity "controlled" by an "investment company" within the meaning of the Investment Company Act of 1940, as amended (the "Investment Company Act"), and shall conduct its business in a manner so that it will not become subject to the Investment Company Act.

3.25 Transfer Taxes. No stock transfer or other taxes (other than income taxes) are required to be paid in connection with the issuance and sale of any of the Securities, other than such taxes for which the Company has established appropriate reserves and intends to pay in full on or before the Closing.

3.26 Sarbanes-Oxley Act: Internal Controls and Procedures. The Company is in material compliance with any and all applicable requirements of the Sarbanes-Oxley Act of 2002 and any and all applicable rules and regulations promulgated by the SEC thereunder that are effective as of the date hereof. 3.27 Embargoed Person. None of the funds or other assets of the Company shall constitute property of, or shall be beneficially owned, directly or indirectly, by any person subject to trade restrictions under United States law, including, but not limited to, the International Emergency Economic Powers Act, 50 U.S.C. § 1701 *et seq.*, the Trading with the Enemy Act, 50 U.S.C. App. 1 *et seq.*, and any Executive Orders or regulations promulgated under any such United States laws (each, an "Embargoed Person"), with the result that the investments evidenced by the Securities are or would be in violation of law. No Embargoed Person shall have any interest of any nature whatsoever in the Company with the result that the investments evidenced by the Securities are or would be in violation of law. None of the funds or other assets of the Company shall be derived from any unlawful activity with the result that the investments evidenced by the Securities are or would be in violation of law.

The Company has no knowledge of any facts or circumstances which lead it to believe that it will be required to file for reorganization or liquidation under the bankruptcy or reorganization laws of any jurisdiction, and has no present intention to so file.

3.29 Transactions with Interested Persons. Except as set forth in Schedule 3.29, no officer, director or employee of the Company is or has made any arrangements with the Company to become a party to any transaction with the Company (other than for services as employees, officers and directors), including any contract, agreement or other arrangement providing for the furnishing of services to or by, providing for rental of real or personal property to or from, or otherwise requiring payments to or from any officer, director or such employee or, to the knowledge of the Company, any

entity in which any officer, director, or any such employee has a substantial interest or is an officer, director, trustee or partner.

3.30 Customers and Suppliers. The relationships of the Company with its customers and suppliers are maintained on commercially reasonable terms. Except as set forth on Schedule 3.30 hereto, to the Company's knowledge, no customer or supplier of the Company has any plan or intention to terminate its agreement with the Company, which termination would reasonably be expected to have a Material Adverse Effect.

3.31 Full Disclosure. The representations, warranties and written statements contained in this Agreement and the other Transaction Documents and in the certificates, exhibits and schedules delivered to such Investor by the Company pursuant to this Agreement and the other Transaction Documents and in connection with such Investor's due diligence investigation of the Company, do not contain any untrue statement of a material fact, and do not omit to state a material fact required to be stated therein or necessary in order to make such representations, warranties or statements not misleading in light of the circumstances under which they were made. Neither the Company nor any Person acting on its behalf or at its direction has provided such Investor with material non-public information. Following the issuance of the press release in accordance with Section 4.1(c) hereof, to the Company's knowledge, such Investor will not possess any material non-public information concerning the Company. 3.32 No Other Agreements. The Company has not, directly or indirectly, entered into any agreement with or granted any right to any Investor relating to the terms or conditions of the transactions contemplated by the Transaction Documents, except as expressly set forth in the Transaction Documents.

4. COVENANTS OF THE COMPANY AND EACH INVESTOR.

4.1 The Company agrees with each Investor that the Company will:

(c) (i) on or prior to 8:30 a.m. (eastern time) on the Business Day immediately following the Execution Date, issue a press release disclosing the material terms of this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby, and (ii) on or prior to 5:00 p.m. (eastern time) on the second Business Day following the Execution Date, file with the Commission a Current Report on Form 8-K disclosing the material terms

of this Agreement and the other Transaction Documents and the transactions contemplated hereby and thereby, including as exhibits this Agreement and the other Transaction Documents; *provided, however*, that each Investor shall have a reasonable opportunity to review and comment on any such press release or Form 8-K prior to the issuance or filing thereof. Thereafter, the Company shall timely file any filings and notices required by the Commission or applicable law with respect to the transactions contemplated hereby.

4.2 The Company agrees that it will, during the period beginning on the Execution Date and ending on the Termination Date:

(a) maintain its corporate existence in good standing;

(b) maintain, keep and preserve all of its Properties necessary in the proper conduct of its businesses in good repair, working order and condition (ordinary wear and tear excepted) and make all necessary repairs, renewals and replacements and improvements thereto, except where the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect;

(c) pay or discharge before becoming delinquent (a) all taxes, levies, assessments and governmental charges imposed on it or its income or profits or any of its Property and (b) all lawful claims for labor, material and supplies, which, if unpaid, might become a Lien upon any of its Property, except where the failure to do so would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect; provided, however, that the Company shall not be required to pay or discharge any tax, levy, assessment or governmental charge, or claim for labor, material or supplies, whose amount, applicability or validity is being contested in good faith by appropriate proceedings being diligently pursued and for which appropriate reserves have been established under GAAP;

(d) comply with all Governmental Requirements applicable to the operation of its business, except for instances of noncompliance that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect;

(e) comply with all agreements, documents and instruments binding on it or affecting its Properties or business, including, without limitation, all Material Contracts, except for instances of noncompliance that would not reasonably be expected to have, individually or in the aggregate, a Material Adverse Effect;

(f) provide each Investor with copies of all materials sent to its stockholders, in each such case at the same time as delivered to such stockholders;

(g) timely file with the Commission all reports required to be filed pursuant to the Exchange Act and refrain from terminating its status as an issuer required by the Exchange Act to file reports thereunder even if the Exchange Act or the rules or regulations thereunder would permit such termination;

(h) until the earlier of (A) Effective Date of the Registration Statement and (B) the six (6) month anniversary of the Closing Date, take commercially reasonable steps to restrict

each of the Company's Chief Executive Officer, President and Chief Financial Officer (each, a "Specified Employee") from selling shares of Common Stock, other than (i) in connection with any 10b-5(1) trading plans in effect as of the Execution Date and disclosed to each Investor in writing and (ii) with respect to each Specified Employee, unless and until the VWAP for 10 consecutive Trading Days exceeds 140% of the Market Price on the Closing Date (the "Specified Employee Threshold"), up to 15% of the shares of Common Stock and vested options held on the date hereof by such Specified Employee; provided, that in the event the Specified Employee Threshold occurs, the restriction contained in this section shall terminate, and each Specified Employee shall be free to sell any Common Stock held by such Specified Employee; and

(i) use commercially reasonable efforts to maintain adequate insurance coverage (including D&O insurance) for the Company and each Subsidiary.

4.3 Reservation of Common Stock. The Company shall, on the Closing Date, have authorized and reserved for issuance to the Investors free from any preemptive rights, and shall keep available at all times during which any Warrants are outstanding, a number of shares of Common Stock (the "Reserved Amount") that, on the Closing Date, is not less than one hundred percent (100%) of the number of Warrant Shares issuable upon exercise of all of the Warrants issued at the Closing, without regard to any limitation or restriction on such conversion or exercise that may be set forth in the Warrants. The Reserved Amount shall be allocated in accordance with each Investor's Pro Rata Share. In the event that an Investor shall sell or otherwise transfer any of such Investor's Warrants, each transferee shall be allocated a *pro rata* portion of such transferor's Reserved Amount. Any portion of the Reserved Amount allocated to any Investor or other Person which no longer holds any Warrants shall be reallocated to the remaining Investors *pro rata* based on the number of Registrable Securities held by such Investors at such time. In the event that the Reserved Amount is insufficient at any time to cover one hundred percent 100% of the Registrable Securities issuable upon the exercise of the Warrants (without regard to any restriction on such conversion or exercise), the Company shall take such action (including without limitation holding a meeting of its stockholders) to increase the Reserved Amount to cover 100% of the Registrable Securities issuable upon such conversion and exercise, such increase to be effective not later than the thirtieth (30th) day (or sixtieth (60th) day, in the event stockholder approval is required for such increase) following the Company's receipt of written notice of such deficiency. While any Warrants are outstanding, the Company shall not reduce the Reserved Amount without obtaining the prior written consent of each Investor then holding Warrants.

4.4 Use of Proceeds. The Company shall use the proceeds from the sale of the Shares and Warrants for general business purposes; *provided*, that the Company shall not use any of such proceeds (i) to pay any dividend or make any distribution on any of its securities, or (ii) to repay any loan made to or incurred by any Key Employee or any other officer or director or Affiliate of the Company.

4.5 Use of Investor Name. Except as may be required by applicable law and/or this Agreement, the Company shall not use, directly or indirectly, any Investor's name or the name of any of its Affiliates in any advertisement, announcement, press release or other similar communication unless it has received the prior written consent of any Investor for the specific use contemplated or as otherwise required by applicable law or regulation.

4.6 Company's Instructions to Transfer Agent. As soon as practicable following the Closing Date (but in no event later than five Business Days after the Closing Date), the Company shall

execute and deliver irrevocable written instructions to the transfer agent for its Common Stock (the "Transfer Agent"), and provide each Investor with a copy thereof, directing the Transfer Agent (i) to issue certificates representing Warrant Shares upon exercise of the Warrants and (ii) to deliver such certificates to such Investor no later than the close of business on the third (3rd) Business Day following the related Exercise Date (as defined in the Warrants). Such certificates may bear legends pursuant to applicable provisions of this Agreement or applicable law. The Company shall instruct the transfer agent that, in lieu of delivering physical certificates representing shares of Common Stock to an Investor upon exercise of the Warrants, and as long as the Transfer Agent is a participant in the Depository Trust Company ("DTC") Fast Automated Securities Transfer program, and such Investor has not informed the Company that it wishes to receive physical certificates therefor, and no legend is required to appear on any physical certificate if issued, the transfer agent shall effect delivery of Warrant Shares by crediting the account of such Investor or its nominee at DTC for the number of shares for which delivery is required hereunder within the time frame specified above for delivery of certificates. The Company represents to and agrees with each Investor that it will not give any instruction to the Transfer Agent that will conflict with the foregoing instruction or otherwise restrict such Investor's right to exercise the Warrant or to receive Warrant Shares upon exercise of the Warrants. In the event that the Company's relationship with the Transfer Agent should be terminated for any reason, the Company shall use its best efforts to cause the Transfer Agent to continue acting as transfer agent pursuant to the terms hereof until such time that a successor transfer agent is appointed by the Company and receives the instructions described above.

4.7 Limitations on Disposition. No Investor shall sell, transfer, assign or dispose of any Securities, unless:

(a) there is then in effect an effective registration statement under the Securities Act covering such proposed disposition and such disposition is made in accordance with such registration statement; or

(b) such Investor has notified the Company in writing of any such disposition, and furnished the Company with an opinion of counsel, reasonably satisfactory to the Company, that such disposition will not require registration of such Securities under the Securities Act; *provided, however*, that no such opinion of counsel will be required (A) if the sale, transfer or assignment complies with federal and state securities laws and is made to a fund or other institutional investor that is an Affiliate of such Investor and which is also an "accredited investor" as that term is defined in Rule 501 of Regulation D; provided, that such Affiliate provides the Company with customary accredited investor and investment representations (comparable with those set forth in Section 2.2 hereof), and agrees to be bound by the terms and conditions of this Agreement, (B) if the sale, transfer or assignment is made pursuant to Rule 144 and such Investor provides the Company with evidence reasonably satisfactory to the Company that the proposed transaction satisfies the requirements of Rule 144 or (C) in connection with a *bona fide* pledge or hypothecation of any Securities under a margin arrangement with a broker-dealer or other financial institution or the sale of any such Securities by such broker-dealer or other financial institution following such Investor's default under such margin arrangement.

4.8 Disclosure of Non-public Information. The Company agrees that it will not at any time following the Execution Date disclose material non-public information to any Investor without first

obtaining such Investor's written consent to such disclosure, except to the extent required by any Transaction Documents.

4.9 Listing. The Company (i) has, or promptly following the Closing shall, use its best efforts to include all of the Warrant Shares issuable upon exercise of the Warrants (without regard to any limitation on such exercise) for listing on the Nasdaq National Market, and (ii) shall use its best efforts to maintain the designation and quotation, or listing, of the Common Stock on the Nasdaq National Market, the Nasdaq Small Cap Market or the New York Stock Exchange for a minimum of five (5) years following the Closing Date.

4.10 Indemnification of Investors. The Company will indemnify and hold each Investor and its directors, managers, officers, shareholders, members, partners, employees and agents (each, an "Investor Party") harmless from any and all losses, liabilities, obligations, claims, contingencies, damages, costs and expenses, including all judgments, amounts paid in settlements, court costs and reasonable attorneys' fees and costs of investigation that any such Investor Party may suffer or incur as a result of or relating to (a) any breach of any of the representations, warranties, covenants or agreements made by the Company in this Agreement or in the other Transaction Documents or (b) any action instituted against an Investor, or any of them or their respective Affiliates, by any stockholder of the Company who is not an Affiliate of such Investor, with respect to any of the transactions contemplated by the Transaction Documents (unless such action is based upon a breach of such Investor's representation, warranties or covenants under the Transaction Documents or any agreements or understandings such Investor may have with any such stockholder or any violations by such Investor of state or federal securities laws or any conduct by such Investor which constitutes fraud, gross negligence, willful misconduct or malfeasance). If any action shall be brought against any Investor Party in respect of which indemnity may be sought pursuant to this Agreement, such Investor Party shall promptly notify the Company in writing, and the Company shall have the right to assume the defense thereof with counsel of its own choosing. Any Investor Party shall have the right to employ separate counsel in any such action and participate in the defense thereof, but the fees and expenses of such counsel shall be at the expense of such Investor Party except to the extent that (i) the employment thereof has been specifically authorized by the Company in writing, (ii) the Company has failed after a reasonable period of time following such Investor Party's written request that it do so, to assume such defense and to employ counsel or (iii) in such action there is, in the reasonable opinion of such separate counsel, a material conflict on any material issue between the position of the Company and the position of such Investor Party. The Company will not be liable to any Investor Party under this Agreement (i) for any settlement by an Investor Party effected without the Company's prior written consent, which shall not be unreasonably withheld or delayed; or (ii) to the extent, but only to the extent that a loss, claim, damage or liability is attributable to such Investor Party's wrongful actions or omissions, or gross negligence or to such Investor Party's breach of any of the representations, warranties, covenants or agreements made by such Investor in this Agreement or in the other Transaction Documents.

4.11 Restriction on Issuances. During the period beginning on the Execution Date and ending on the Filed S-3 Effective Date, the Company will not, directly or indirectly, effect a Subsequent Placement.

5. CONDITIONS TO CLOSING.

5.1 Conditions to Investors' Obligations at the Closing. Each Investor's obligations to effect the Closing, including without limitation its obligation to purchase Shares and Warrant at the Closing, are conditioned upon the fulfillment (or waiver by such Investor in its sole and absolute discretion) of each of the following events as of the Closing Date, and the Company shall use commercially reasonable efforts to cause each of such conditions to be satisfied:

- 5.1.1 the representations and warranties of the Company set forth in this Agreement and in the other Transaction Documents shall be true and correct in all material respects as of such date as if made on such date (except that to the extent that any such representation or warranty relates to a particular date, such representation or warranty shall be true and correct in all material respects as of that particular date);

- 5.1.5 the Company shall have delivered to such Investor an opinion of counsel for the Company, dated as of the Closing Date, in form and substance satisfactory to such Investor;
- 5.1.6 the Company shall have delivered to such Investor duly executed certificates representing the Shares and the Warrants being purchased by such Investor;
- 5.1.7 the Company shall have executed and delivered to the Investor the Registration Rights Agreement;
- 5.1.8 the Company shall have delivered to such Investor a certificate, signed by the Secretary or an Assistant Secretary of the Company, attaching (i) the charter and By-Laws of the Company, and (ii) resolutions passed by its Board of Directors to authorize the transactions contemplated hereby and by the other Transaction Documents, and certifying that such documents are true and complete copies of the originals and that such

resolutions have not been amended or superseded, it being understood that such Investor may rely on such certificate as a representation and warranty of the Company made herein;

- 5.1.9 the Company shall have obtained the written agreement of each Key Employee to refrain from selling shares of Common Stock for the period specified in, and in accordance with, Section 4.2(h) hereof;
 - 5.1.10 there shall have occurred no material adverse change in the Company's consolidated business or financial condition since the date of the Company's most recent financial statements contained in the Disclosure Documents;
 - 5.1.11 the Common Stock shall be listed on the Nasdaq National Market
 - 5.1.12 the Company shall have authorized and reserved for issuance the aggregate number of shares of Common Stock issuable upon exercise of all of the Warrants to be issued at the Closing (such number to be determined without regard to any restriction on such exercise); and

- 5.2 Conditions to Company's Obligations at the Closing. The Company's obligations to effect the Closing with each Investor are conditioned upon the fulfillment (or waiver by the Company in its sole and absolute discretion) of each of the following events as of the Closing Date:
- 5.2.1 the representations and warranties of such Investor set forth in this Agreement and in the other Transaction Documents shall be true and correct in all material respects as of such date as if made on such date (except that to the extent that any such representation or warranty relates to a particular date, such representation or warranty shall be true and correct in all material respects as of that date);
 - 5.2.2 such Investor shall have complied with or performed all of the agreements, obligations and conditions set forth in this Agreement that are required to be complied with or performed by such Investor on or before the Closing;
 - 5.2.3 there shall be no injunction, restraining order or decree of any nature of any court or Government Authority of competent jurisdiction that is in effect that restrains or prohibits the consummation of the transactions contemplated hereby and by the other Transaction Documents;

5.2.4 such Investor shall have executed each Transaction Document to which it is a party and shall have delivered the same to the Company; and

5.2.5 such Investor shall have tendered to the Company the Purchase Price for the Shares and the Warrant being purchased by it at the Closing by wire transfer of immediately available funds.

6. MISCELLANEOUS.

6.1 Survival; Severability. The representations, warranties, covenants and indemnities made by the parties herein and in the other Transaction Documents shall survive the Closing notwithstanding any due diligence investigation made by or on behalf of the party seeking to rely thereon. In the event that any provision of this Agreement becomes or is declared by a court of competent jurisdiction to be illegal, unenforceable or void, this Agreement shall continue in full force and effect without said provision; *provided* that in such case the parties shall negotiate in good faith to replace such provision with a new provision which is not illegal, unenforceable or void, as long as such new provision does not materially change the economic benefits of this Agreement to the parties.

6.2 Successors and Assigns. The terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and permitted assigns of the parties. Nothing in this Agreement, express or implied, is intended to confer upon any party other than the parties hereto or their respective successors and permitted assigns any rights, remedies, obligations or liabilities under or by reason of this Agreement, except as expressly provided in this Agreement. After the Closing, the Investors may assign their respective rights and obligations hereunder, in connection with any private sale or transfer of the Shares or Warrants in accordance with the terms hereof, as long as, as a condition precedent to such transfer, the transferee executes an acknowledgment agreeing to be bound by the applicable provisions of this Agreement, in which case the term "Investor" shall be deemed to refer to such transferee as though such transferee were an original signatory hereto. The Company may not assign its rights or obligations under this Agreement.

6.3 No Reliance. Each party acknowledges that (i) it has such knowledge in business and financial matters as to be fully capable of evaluating this Agreement, the other Transaction Documents, and the transactions contemplated hereby and thereby, (ii) it is not relying on any advice or representation or warranty of any other party in connection with entering into this Agreement, the other Transaction Documents, or such transactions (other than the representations and warranties made in this Agreement or the other Transaction Documents), (iii) it has not received from any party any assurance or guarantee as to the merits (whether legal, regulatory, tax, financial or otherwise) of entering into this Agreement or the other Transaction Documents or the performance of its obligations hereunder and thereunder, and (iv) it has consulted with its own legal, regulatory, tax, business, investment, financial and accounting advisors to the extent that it has deemed necessary, and has entered into this Agreement and the other Transaction Documents based on its own independent judgment and on the advice of its advisors as it has deemed necessary, and not on any view (whether written or oral) expressed by any party.

6.4 Independent Nature of Investors' Obligations and Rights. The obligations of each Investor hereunder are several and not joint with the obligations of the other Investors hereunder, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor hereunder. The Company acknowledges and agrees that nothing contained herein or in any other agreement or document delivered at Closing, and no action taken by any Investor pursuant hereto or thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or a "group" as described in Section 13(d) of the Exchange Act, or create a presumption that the Investors are in any way acting in concert with respect to such obligations or the transactions contemplated by this Agreement. Each Investor has been represented by its own separate counsel in connection with the transactions contemplated hereby, shall be entitled to protect and enforce its rights, including without limitation rights arising out of this Agreement or the other Transaction Documents, individually, and shall not be required to be join any other Investor as an additional party in any proceeding for such purpose.

6.5 Injunctive Relief. The parties hereto acknowledge and agree that a breach by either of their obligations hereunder will cause irreparable harm the other party and that the remedy or remedies at law for any such breach will be inadequate and agrees, in the event of any such breach, in addition to all other available remedies, the non-breaching party shall be entitled to an injunction restraining any breach and requiring immediate and specific performance of such obligations

6.6 Investors' Trading Activity. The Company acknowledges that, following the Closing and the press release described in paragraph 4.1 above, each Investor shall have the right to purchase or sell, long or short, Common Stock and instruments or contracts whose value is derived from the market value of the Common Stock, and that sales of or certain derivative transactions relating to the Common Stock may have a negative impact on the market price of the Common Stock.

6.7 Governing Law; Jurisdiction. This Agreement shall be governed by and construed under the laws of the State of New York applicable to contracts made and to be performed entirely within the State of New York. Each party hereby irrevocably submits to the non-exclusive jurisdiction of the state and federal courts sitting in the City and County of New York for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby and hereby irrevocably waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of any such court, that such suit, action or proceeding is brought in an inconvenient forum or that the venue of such suit, action or proceeding is improper. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any manner permitted by law.

6.8 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, and all of which together shall constitute one and the same instrument. This Agreement may be executed and delivered by facsimile transmission.

6.9 Headings. The headings used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

6.10 Notices. Any notice, demand or request required or permitted to be given by the Company or the Investor pursuant to the terms of this Agreement shall be in writing and shall be deemed delivered (i) when delivered personally or by verifiable facsimile transmission, unless such delivery is made on a day that is not a Business Day, in which case such delivery will be deemed to be made on the next succeeding Business Day, (ii) on the next Business Day after timely delivery to an overnight courier and (iii) on the Business Day actually received if deposited in the U.S. mail (certified or registered mail, return receipt requested, postage prepaid), addressed as follows:

6.11 Expenses. The Company and each Investor shall pay all costs and expenses that it incurs in connection with the negotiation, execution, delivery and performance of this Agreement or the other Transaction Documents, *provided, however*, that that the Company shall, at the Closing, pay up to \$35,000 in immediately available funds for all reasonable, documented out-of-pocket expenses (including without limitation reasonable legal fees and expenses) incurred or to be incurred by Satellite Strategic Finance Associates, LLC ("Satellite") in connection its due diligence investigation of the Company and the negotiation, preparation, execution, delivery and performance of this Agreement and the other Transaction Documents. At the Closing, the amount due for such fees and expenses (which may include fees and expenses estimated to be incurred for completion of the transaction and post-closing matters) may be netted out of the Purchase Price payable by Satellite. deficiency (up to \$35,000 in the aggregate, including any amounts paid at Closing) within thirty (30) days following receipt of an invoice therefor.

6.12 Entire Agreement; Amendments. This Agreement and the other Transaction Documents constitute the entire agreement between the parties with regard to the subject matter hereof and thereof, superseding all prior agreements or understandings, whether written or oral, between or among the parties. Except as expressly provided herein, neither this Agreement nor any term hereof may be amended except pursuant to a written instrument executed by the Company and the holders of at least a majority of the Shares and Warrant Shares into which all of the Warrants then outstanding are exercisable (without regard to any limitation on such exercise), and no provision hereof may be waived other than by a written instrument signed by the party against whom enforcement of any such waiver is sought. Any waiver or consent shall be effective only in the specific instance and for the specific purpose for which given.
